

Farm Boys

What Are YOUR Plans For The Future

Do you intend to run your own farm; to use better methods than the average farmer; to raise better crops and better stock; to keep your farm in better condition; **To Make the Farm Pay?** Unless you do, what satisfaction is there in farming? Now is the time to lay the **Foundation** of your life's work; to learn something of soils; fertilizers; drainage; plant and animal diseases; insect pests; varieties of grains, roots and fruits; breeds and types of animals; marketing of farm produce; methods of cultivation; carpentry; blacksmithing, etc. Get an insight into the innumerable problems that every farmer has to face and should know about.

?? ? **HOW** ? ? ?

By Taking the Two-Years Course at

The Ontario Agricultural College

GUELPH - - ONTARIO

This course is designed to meet the requirements of our country boys.

YOU can come to College for two years

BECAUSE Ordinary Public School education is sufficient for admission to the course.

The College year begins September 19th, and ends April 15th, so that boys from the farm may return to their homes to assist in the spring and summer work. During this period many boys can earn sufficient funds to defray College expenses for the following year.

Tuition fee for Ontario students is only \$20.00 per year, board and room in residence is obtained at the rate of \$4.00

the cost during the first year is defrayed by the various departments of the College.

continue to the work of the Third and B. S. A., you are not required to Students are accepted for this examinations warrants it.
