BEWARE OF IMITATIONS:

We beg to call the attention of Druggists and Perfume Dealers of Canada to the fact that some unprincipled people have been offering for sale a perfume which in appearance resembles LUBIN.

Our labels, bottles and packing have been very closely copied, and in such a manner as to mislead the public.

The superior quality of our perfumes and toilet articles is well-known to you, and we solicit the kind assistance of the trade towards discouraging and preventing this fraud.
