

PUBLISHER'S DEPARTMENT.

SANITARY... Riverside, Cal. The climate cures. Cough, Throat, Lungs, full idea, 50¢ per bottle, cost free.

ADVICE TO MOTHERS. Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep, by soothing the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

GAS.—The quality of any machinery intended for use for an unlimited period can only be tested by a long probation, and in this respect the Combination Gas Machine Co., of Windsor, Ont., and Detroit, Mich., can stand the test, and take pleasure in referring to hundreds of machines in churches, stores, factories, and other buildings in Canada, which have been in use for from five to fifteen years, the larger proportion of which have required no repairs whatever. This Company, having abundant capital (\$150,000 paid up), and a reputation established for good work, can be depended on to undertake only such contracts as can be completed satisfactorily and first-class. Those desiring to put gas into their houses, stores, churches, or other buildings, and wishing to deal with a thoroughly responsible firm, will find it to their interest to write to this Company for particulars or estimates, to the Detroit office.

I have made every remedy I could find. Because I have seen many who have tried for years without receiving a cure, I have made a special study of the disease, and I have found a remedy.
