Professor Seth opened the session of the Edinburgh University Theological Society with a lecture on "Pantheism, Deism, and Theism."

Pimples, boils and other humors of the blood are liable to break out in the warm weather. Prevent it by taking Hood's Sarsaparilla.

An innovation in Presbyterianism took place at Belfast, when a testimony meeting was held in connection with the mission in Albert street Church.

For Cholera Morbus, Cholera Infantum, Cramps, Colic, Diarrhoea, Dysentery, and Summer Complaint, Dr. Fowler's Extract of Wild Strawberry is a prompt, safe and sure cure that has been a popular favorite for over 40 years.

Manual training in San Francisco has just received an impetus from Mrs. Charles Lux, of that place, who had just died. She bequeathed the enormous sum of three million dollars, one-third of her estate, to wards "the promotion of schools for manual training, industrial training, and for teaching trades to young people of both sexes in the State of California, and particularly in the city and county of San Francisco."

To whom it may concern—and that is nearly everybody—This is to certify that I have used Coutts & Sons' "Acetocura" on myself, my family, and hundreds of others during the past fifteen years for headache, toothache, rheumatism, sciatica, sprains, cuts, boils, abscesses, scarlet fever, chills and fever, and also with good success on myself (as I was able) in an attack of yellow fever. I can hardly mention all the ills I have known its almost magical power in curing, such as croup, diarrhoea biliousness, and even those little but sore pests to many people—corns. The trouble is with patients, they are so fond of applying where the pain is—and not where directed, at the nerve affected. And the trouble with the druggists is that they also want to sell "Something just as good," which very often is worse than useless.

Wishing you every success in your new establishment, and that a more enlightened public may appreciate the blessings of your Acetocura, is the fervent wish of Yours truly,

CAPT. W. M. SOMERVILLE,
Late of U.S. Engineer Service, and formerly of the Marine Department, Canada.
To Coutts & Sons, 72 Victoria St., Toronto.

New buildings in connection with the medical school of Owen's College, Manchester, were opened by the Duke of Devonshire recently. Not every one will agree with the Duke's expression of opinion that "it is a somewhat doubtful benefit that the lives of those who are attacked by incurable and mortal disease should be prolonged for some indefinite period" by medical skill. The incurable are not always unhappy, and nothing is more favorable to the culture of the better human nature than the loving care of the incurable.

Dr. Fowler's Extract of Wild Strawberry cures Diarrhoea, Dysentery, Cramps, Colic, Cholera Morbus, Cholera Infantum, and all looseness of the bowels. Never travel without it. Price 35c.

We direct special attention to the following remarkable statement:

For many years I suffered from Catarrh, which destroyed my hearing, and for twenty-five years I was so deaf that I could not hear a clock strike by holding my ear against it. I had tried every known remedy, and nothing gave me the slightest relief. I obtained Dr. Moore's treatment, and in three weeks my hearing began to improve and now I can hear common conversation across a room; can hear a clock strike in an adjoining room, 30 feet away. I think I am entirely cured, and my hearing permanently restored. EDWIN COLEMAN, Malzo, Kas.
