

GOVERNMENT NOTICE No. 1, 1867.

HIS Excellency the Administrator of the Government directs the publication, for general information, of the following amended notice of the erection of a Lighthouse on the Bluff, at the south side of the entrance of Port Natal, in correction of the notification given in Government Notice No. 122, 1866.

By his Excellency's command,
D. BARKSINE,
Colonial Secretary.

Colonial Office,
Natal, 4th January, 1867.

NOTICE TO MARINERS.

A Lighthouse has been erected on the Bluff, at the south side of the entrance of Port Natal, at an elevation of 292 feet above high water, a light from which will be exhibited on the 23rd January, 1867.

The Lighthouse is in latitude $29^{\circ} 52' 30''$ S., and longitude $31^{\circ} 3' 35''$ E.

The building is an iron tower, in the form of a frustrum of a cone, 81 feet high, painted white, centre of light being 70 feet above the base, exhibiting a revolving white light of the second class (dioptric) attaining its greatest brilliancy once every minute.

It is visible in all directions from north (round by the east and south), to $S. 59^{\circ} W.$, and can be seen from a ship's deck 21 miles in clear weather.

The above light is not visible from the Alwal Shoal, which is 25 miles S., $53^{\circ} W.$ from the Lighthouse; vessels should not, therefore, when coming from the southward and westward, approach the shore nearer than 4 miles, or shall their water under 40 fathoms, using the lead freely until they make the light well out from the deck, when they may stand in until it bears $N. 59^{\circ} E.$ —which bearing will keep them outside all known danger—until they are abreast of the Umlazi River (about nine and a half miles below the Lighthouse), when they must keep it more to the northward, as the land trends more to the eastward, giving the shore a good berth of a mile, and when the light bears about $W. N. W.$, they can haul in to the northward for the anchorage, anchoring in eight and a half to ten fathoms, with the Lighthouse bearing $S. W.$ to $S W \frac{1}{4} S.$, distant 1 mile.

WARRANT for extending the Victoria Cross to the Local Forces in New Zealand and in the Colonies and their Dependencies generally.

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith To all to whom these Presents shall come, Greeting:

WHEREAS, by a warrant under our Royal Sign Manual, countersigned by one of Our Principal Secretaries of State, and bearing date at Our Courts at Buckingham Palace, the 29th day of January, 1856, in the nineteenth year of Our Reign, We did constitute and create a new Naval and Military Decoration, to be styled and designated the Victoria Cross, which Decoration

We expressed Our desire should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and did also make, ordain, and establish the Rules and Ordinances therein set forth for the government of the same, to be thenceforth inviolably observed and kept:

And whereas during the progress of the operations which We have undertaken against the insurgent Native Tribes in Our Colony of New Zealand, it has happened that persons serving in the Local Forces of Our said Colony have performed deeds of gallantry, in consideration of which they are not, according to the strict provisions of Our said recited Warrant, eligible for this high distinction.

Now know ye, that We of our especial Grace, certain knowledge, and mere motion, have thought fit hereby to signify Our Royal Will and Pleasure that the said Decoration may be conferred on such persons aforesaid, who may be qualified to receive the same in accordance with the rules and ordinances made, ordained and established by Us for the government thereof, by our said recited Warrant, and we do by these presents for Us, Our Heirs and Successors, ordain and appoint that it shall be competent for such persons aforesaid to obtain the said Decoration in the manner set forth in the Rules and Ordinances referred to, or in accordance with such further Rules and Ordinances as may hereafter be made and promulgated by Us, Our Heirs and Successors, for the government of the said Decoration, provided it be established in any case that the person was serving with Our Troops, under the orders of a General or other Officer, under circumstances which would entitle an Officer or soldier of Our army to be recommended for the said Decoration, in accordance with the Rules and Ordinances prescribed in Our said recited Warrant, and provided also such person shall be recommended for it by such General or other Officer.

And We do further for Us, Our Heirs and Successors, ordain and appoint that the said Decoration may also be conferred, in accordance with the Rules and Ordinances prescribed in Our said recited Warrant, and subject to the provisions aforesaid, on such persons who may be qualified to receive the same in accordance with the said Rules and Ordinances as may hereafter be employed in the Local Forces raised, or which may be raised in Our Colonies and their Dependencies, who may be called upon to serve in co-operation with Our Troops in military operations which it may be necessary to undertake for the suppression of Rebellion against Our authority, or for repelling invasion by a foreign enemy.

Given at Our Court at Osborne House, Isle of Wight, this first day of January, 1867, in the thirtieth year of Our Reign.

By Her Majesty's Command,
