National Anthem.
Words by G. W. Wicksted, Q.C. Ottawa.

f God save the land we love, Show't blessings from a-bove
 On Ca-na-da; *ff* Let her fair fame ex-tend, Her progress
 ne-ver end, In her two nations blend, Bri-tain and France.

2. Each has a glorious name,
 High on the roll of Fame ;--
 NOBLESSE OBLIGE;
 May we be noble too,
 Nobly to think and do,
 All to each other true,
 And to our Queen.

3. Fast joined in heart and hand,
 Proud of their goodly land,
 And of their Sires,--
 Let all Canadians then,
 Gaul, Gael, or British men,
 Sing, with a loud Amen,--
 God Save the Queen.
