

Reform of the Senate

THE CANADIAN MAGAZINE for April will contain a timely article by Prof. Goldwin Smith entitled "Reform of the Senate." It will be unusually interesting to read what this eminent writer has to say on a question that seems bound to be brought to an issue.

¶ Miss Jean Graham will contribute an article entitled "From Country Garden to Greenhouse." The article will deal with Floral Culture in Canada and will be profusely illustrated.

¶ The rest of the number will be made up of choice seasonable material, with contributions from Isabel Ecclestone Mackay, Jean Blewett and others.
