London, Aug. 6.—Sir John Macdonald, Sir Charles Tupper, Sir Alex. Galt, Col. Dennis, Hon. Mr. Pope, Col. Williams, Earl Derby, and Sir Garnet Wolseley, were entertained last night by the Fishmongers Company. The Prime Minister proposed the toast of "The British Colonies." Sir John Macdonald responded, and said they in Canada were desirous of having Englishmen and Scotchmen come among them and settle. They had 250,000,000 acres of land, where the Government gives men of eighteen years of age and upwards farms of 160 acres, gratuitously, of the finest land, as the Yankee would say, "that ever lay out of doors, Sir Charles also responded, and corrected the suggestion that the object of the Canadian visitors was to obtain money from England except by way of securing profitable investments for the construction of railways and development of the country. He dwelt upon the advantages Canada offered to emigrants, and the importance of emigration as a means of contributing to the solution of some of the difficulties which were the subject of controversy in this country.

NEWS FROM ABROAD.

The majority of the officers of the 66th regiment in Afghanistan were killed in defending the colors, which were lost.

New York, Aug. 7.—Dr. Tanner completed his task of fasting forty days at 12 o'clock to-day. His condition is very favorable. His weight at the end of the fast was 121 1/2 pounds, showing a loss of 36 pounds in 40 days.

London, Aug. 8.—The Standard has the following from Bombay:—A generally accepted rumor is current here that the Afghans have taken Chaman Chake. It is reported that 4,000 Afghans have gathered in the vicinity of Quetta. Gen. Roberts' force has left Cabul.

The London Times says both from England and India reinforcements are being energetically despatched, and six battalions of infantry and three batteries of artillery would soon be passed through the Suez Canal. Without counting the recent addition, the total number of troops occupied by the Afghan war is 60,000, of whom 40,000 are within the frontier of Afghanistan.

Constantinople, Aug. 7.—Details of the murder of Dr. Parsons an American missionary, and his servant Mar Ismid, several days since, show that Dr. Parsons and servants were making a professional tour in the mountains east of Ismid and encamped the night of the 4th inst. by the roadside, in the vicinity of some three members of a semi-nomadic tribe. Two Murak shepherds who have since been arrested, confessed with cynical composure that they shot two travellers as they slept and robbed them of their money amounting to less than a pound. Dr. Parsons did not reach his destination at the expected time, and as his horse were found wandering about the hills his

friends instituted searches, and their bodies were discovered under some bushes near the scene of the murder. The authorities, hearing that a despatch on the subject had been sent to the British Embassy, showed more than usual zeal, and arrested the criminals; but the fact of their being Mahomedans may put obstacles in the way of ordinary judicial proceedings.

STANDARD MEMORIAL PORTRAIT. Line and Stipple Steel Engraving

This Portrait has been produced at a cost of \$500 from the original painting by (Ratney) in possession of Maj-Gen. Raikes, London, by Rev. C. O. Goss, 77 Arick St., New York.

Officially recognized by the London Sunday School Union and S. S. workers of Great Britain, and circulated there among the various Sunday Schools.

Endorsed by the leading Clergymen of New York, and commended by them to the Sunday Schools of this country.

Half Life Size Printed on plate paper, 22x28 inches—the only large steel plate or Raikes extant. Front impression, \$2, each. No inferior prints made from the plate. All Sunday Schools and S. S. workers desire it.

This Portrait commemorates CENTENARY of the Sunday School work begun by ROBERT RAIKES ONE HUNDRED YEARS AGO. It is a faithful presentation from a portrait by Hemmey, in possession of Major-General Raikes of London—a portrait officially recognized as the standard Memorial Portrait of Robert Raikes, and accepted as such by the Sunday-School workers throughout Great Britain.

As a work of ART it is one of the finest of Line and Stipple Steel Engravings, by Mr. A. G. Campbell, a well-known artist of New York. For near a year he pursued the work with such continuous zeal and fidelity, that it is regarded as his MASTER EFFORT.

This Engraving represents RAIKES sitting in his study in sweet and serene contemplation. His countenance, full of characteristic expression, combines the tender and humane, with firmness and decision—a happy blending of benignity with power. It is an expression such as we should naturally expect a philanthropist to possess—one that children delight to gaze upon. The engraved head is veiled in height—more than half the size of life; the embellishments forming the back-ground is 14 1/2 by 16 inches and printed on paper 22x28 inches.

Morgan Dix, D. D. Rector of Trinity Church, New York, says, "I have examined with great care the portrait of Robert Raikes issued by Rev. C. O. Goss of this city, and take great pleasure in commending it as a fine specimen of Art, and a very pleasing picture."

The Clergy, S. S. Teachers and Scholars, and others interested in Sunday Schools have now an opportunity of getting a superior likeness of this philanthropic Churchman. Orders accompanied with the cash may be sent to this office. Forwarded to any address on receipt of the money.
