By a species of instinctive feeling, the people of nearly all countries are greatly averse to those medicinal preparations which contain mineral substances amongst their ingredients And yet, if the question was seked, why they objected to this class of medicines, we presume few could give an intelli-gent answer. Nevertheless, the aversion is well 'ounded.

All mineral substances, when taken into the stomach, are cumulative in their nature-that is to say, they remain either partly or wholly in the system, and accumulate with each additional dose, until in many cases the result is death. For example, ar. senic, although known to be a deadly poison, yet in certain parts of Switzerland is extensively used by the mountain guides as a means of giving them, vulgarly speaking 'long wind.' But although it is thus beneficial for a time, the ultimate result is always death.

It therefore becomes evident that the popular dislike to mineral medicines is well founded, and it is doubtless in a great measure to the entire absence of any mineral substance that the wonderful success of

### BRISTOL'S SARSAPARILLA

in this country is to be secribed. It is prepared from the best quality of the Sarsaparilla Root, with which are combined other cleansing, purifying, and healing roots, barks, leaves, and balsamic gums-the whole, without doubt, making the best depurative and most valuable medicine known to the faculty. The preparation of this great remedy is carried on under the personal supervision of the most scientific chemists and pharmacentists, and none but the choicest ingredients are ever allowed to enter into its composition. The result is, that its action is always uniform and reliable. Its effects upon the

## BLOOD AND HUMORS

is to purge and purify them of every atom of disease, and to instil into the general system a degree of vigorous, natural life, that enables even the weakiy and fragile to throw off and resist the attacks of disease. All old sores and eruptions of a scrofulous or syphilitic nature, all nicerous diseases, Salt Rheum, Carbuncles, Boils, Blotches, or Pimples are

### SPEEDILY HEALED

and removed, and a new elasticity and vigor given to the body that is indeed most agreeable.

In every case when there is reason to suspect the blood and humors of being impure or vitiated from whatever cause, Bristol's Vegetable Sugar-coated Pills should be used in conjunction with the Sarsaparilla, as they carry off the depraved matter, and a complete oure more speedily ensues.
