**Mercantile Summary.**

THE telegraph posts of the Dominion Tele-  
graph Company have reached Halifax, and the  
wires are now being put up in that city.

NEARLY a million dollars worth of cod-liver  
oil will go to Britain from Newfoundland this  
year. The bulk will be 1,250,000 gallons,  
seemingly enough for all the consumptives in  
the world.

THE deekload law came into operation on  
Sunday, October 1st., and vessels loading in the  
shipping ports of the Maritime provinces were  
hurried forward to get them to sea before that

market. Provisions and produce both firm with  
an upward tendency, salt very dull and weak,  
West India goods quite firm but no change  
anticipated in prices immediately.

noticeable these:—Thomas Arkell, of St.  
Thomas, many years identified with the trade  
of that town, has sold out his dry goods business.  
John Harstone, general merchant at Roseneath,  
sells out there and removes to Harwood. A. A.  
Allan & Co., of Harwood, give up business at  
that point to concentrate in Toronto. Amongst  
the failures are Simeon Vary, shoemaker,
