The last line shows the total Income and Insurance of the **ÆTNA**, in the U.S. and Canada, the figures at the top of the columns relating to Canadian business only. By transacting a large, and at the same time a most select business, over the Northern States and Canada, the **ÆTNA LIFE INSURANCE CO.** is able to operate at a very low rate of expense, compared with companies doing business in a limited population only, and gives every member of its mutual department the full advantage of this economy in annually increasing CASH DIVIDENDS, on Policies which, after three years, are NON-FORFEITABLE.
