

A Detroit boy stood an umbrella, with a cord attached to it, in a public doorway. Eleven persons thought that umbrella was theirs, and carried it with them the length of the string. They then suddenly dropped it and went off without once looking back or stooping to pick it up again.

"Unless you give me aid," said a beggar to a benevolent lady, "I am afraid I shall have to resort to something which I greatly dislike to do." The lady handed him a shilling, and compassionately asked, "What is it, poor man, that I have saved you from?" "Work," was the mournful answer.

A Baptist paper in Ohio was sent for nine years to a subscriber who never paid a cent for it. The other day, the paper was returned to the patient and long-suffering publisher, with the affecting pencil note on its margin: "Gone to a better world." The editor is a very pious man, but it is reported that his faith is terribly shaken in regard to the accuracy of the information.

Witness the talk overheard by an emissary of the American Sabbath School Union when trying to establish a Sabbath School in the far Southwest: "I know there is a bug under the chip, sure as you is born. There is some triek 'bout this thing, or that man wouldn't come way down here for nuthin' and gin us books. Jist as sure as you are a foot high there's suthin' dead, mind what I tell you, Thar'll be some feller 'round here 'essing taxes for it arter a while, just like they do with the deestric schools. I's been long thar."

As cool a person, under the circumstances, as was ever heard of was a young nobleman, who, in a frigitful railroad accident, missed his valet. One of his guardians came up to him and said, "My lord, we have found your servant, but he is out in two." "Aw, is he?" said the young man, with a Dundreary drawl, but still with anxiety depicted on his countenance. "Will you be good enough to see in which half he has gwot the key to my carpet bag?"

ORGAN & MELODEON
MANUFACTURERS.

Having now been established in the manufacture of Musical Instruments for several years, we must acknowledge our appreciation of the kindness and justice of the people which has tended to prosper and increase our business and reputation far above our expectation. We supply Organs and Melodeons made and finished in the most complete and perfect manner, using the best materials possible to be obtained, employing only first-class workmen, and having each department superintended by men of experience.

Our trade mark, "Cremona and Celeste Organ," is placed upon the nameboard or key slip of all Organs manufactured by us, and having been registered for our sole use, all parties are cautioned not to infringe on the said trade mark.

We claim especial attention to our Vox Celeste Organs, No. 27 and No. 34. The Vox Celeste Reeds were first introduced in Canada by us in 1869, in a 6 reed organ, which took the first prize at the Provincial Fair held that year in London. We have since applied it successfully to our single and double reed organs, making our "Celeste Organs" the most popular instrument now before the Canadian public.

"We manufacture the most popular styles, and introduce all the latest improvements."

ALL INSTRUMENTS FULLY WARRANTED FOR FIVE YEARS.

Sole Proprietors of the ORGANETTE, containing Scribner's Patent Qualifying Tubes, acknowledged by all to be the greatest improvement yet introduced. Their superiority is conceded by other makers, from the fact that at Guelph they withdrew from competition, thus acknowledging their inability to compete with them.

Cancers cured by a New, but Certain, Speedy, and nearly Painless Process, and without the Use of the Knife.

The Cure will be guaranteed, and, as a proof of this, no pay is required until the Cure is complete. The moment a Cancer is discovered, it should be cured, as it will cost less and is more speedily cured than when of longer standing—and there is nothing to gain, and everything to lose, by delay. What now seems a harmless lump in the breast, neck, eyelid or elsewhere, or small wart or sore on the lip, may, in a few short months, become a hideous, disgusting, destroying mass of disease. If required, references can be given to parties who have been cured many years since, and who are now sound and healthy. All communications promptly answered. No money required in advance, and none until the Cure is complete. 52-oh
