

## **5. TERMINATION OF AID FOR IRREGULAR FORCES AND INSURRECTIONIST MOVEMENTS**

The Governments of the five Central American States shall request Governments of the region and Governments from outside the region which are providing either overt or covert military, logistical, financial or propaganda support, in the form of men, weapons, munitions and equipment, to irregular forces or insurrectionist movements to terminate such aid; this is vital if a stable and lasting peace is to be attained in the region.

The above does not cover aid for the repatriation or, failing that, the relocation and necessary assistance with reintegration into normal life of former members of such groups or forces. The Central American Governments shall also request the irregular forces and insurgent groups operating in Central America to refrain from receiving such aid in order to demonstrate a genuine spirit of Latin Americanism. The requests shall be made pursuant to the provisions of the Document of Objectives which calls for eliminating the traffic in arms, whether within the region or from outside it, intended for persons, organizations or groups seeking to destabilize the Governments of Central American countries.

## **6. NON-USE OF TERRITORY TO ATTACK OTHER STATES**

The five countries signing this document reiterate their commitment to prevent the use of their own territory by persons, organizations or groups seeking to destabilize the Governments of Central American countries and to refuse to provide them with or allow them to receive military and logistical support.

## **7. NEGOTIATIONS ON SECURITY, VERIFICATION AND THE CONTROL AND LIMITATION OF WEAPONS**

The Governments of the five Central American States, with the Contadora Group acting as mediator, shall continue negotiating on the points outstanding in the draft Contadora Act on Peace and Co-operation in Central America with regard to security, verification and control.

These negotiations shall also cover measures for disarming irregular forces prepared to avail themselves of amnesty decrees.

## **8. REFUGEES AND DISPLACED PERSONS**

The Central American Governments undertake to attend, as a matter of urgency, to the flows of refugees and displaced persons caused by the crisis in the region, providing them with protection and assistance, particularly in the areas of health, education, work and safety, and to facilitate their repatriation, resettlement or relocation provided that this is voluntary and carried out on an individual basis.
