Transferred for debate.

CANADA-BRITISH COLUMBIA POLICY LIAISON COMMITTEE ON COLUMBIA RIVER—EXCERPTS OF MINUTES

Motion No. 201—Mr. Hamilton (Qu'Appelle-Moose Mountain):

That an humble Address be presented to His Excellency praying that he will cause to be laid before this House a copy of the International Joint Committee Draft Principles of October 31, 1959 and the Canada-British Columbia Draft No. 2 of November 26, 1960 mentioned in the minutes of meetings of the Canada-British Columbia Policy Liaison Committee on the Columbia River.

Mr. John M. Reid (Parliamentary Secretary to President of the Privy Council): Mr. Speaker, the papers requested by the hon. member were prepared as internal working documents by United States-Canada and Canada-British Columbia negotiating teams. The disclosure of documents of this nature would reveal negotiating positions taken by both Canadian and United States negotiators at confidential meetings. Under those circumstances, I would ask the hon. member to withdraw his motion.

Mr. Hamilton (Qu'Appelle-Moose Mountain): Mr. Speaker, I have already put forward a motion to obtain the original documents, the minutes of the liaison committee which disclose all the things the parliamentary secretary has mentioned as being confidential discussions and positions. I cannot see any difference between having half the material out and the other half not out. I have to ask that this motion be transferred for debate.

Mr. Speaker: Transferred for debate.

[Translation]

Mr. Speaker: Shall the remaining notices of motions stand?

Some hon. Members: Agreed.
