SAINT JOHN, N.B.—CONSULTATION WITH FOREST PRODUCTS INDUSTRY ON ESTABLISHING TERMINAL OPERATOR—MOTION UNDER S.O. 43

Mr. Fred McCain (Carleton-Charlotte): Mr. Speaker, I rise, under the provisions of Standing Order 43, on a matter of urgent and pressing necessity.

In light of the fact that the National Harbours Board is considering establishing a terminal operator in the Navy Island forest products terminal at the port of Saint John, and in view of the fact that it is considering awarding that title of operator to a Montreal consortium of stevedoring firms, while rejecting a consortium of New Brunswick forest products producers, I would move, seconded by the hon. member for York-Sunbury (Mr. Howie):

That the Minister of Transport personally investigate this matter to ensure that no change in terminal operations is considered until full consultation has taken place with the New Brunswick forest products industry so that the industry will be a part of the decision-making process.

Mr. Speaker: Presentation of such a motion, under Standing Order 43, can be made only with unanimous consent. Is there unanimous consent?

Some hon. Members: Agreed.

COMMUNITY EMPLOYMENT STRATEGY PROGRAMS IN NEWFOUNDLAND—MOTION UNDER S.O. 43

Mr. Fouse Faour (Humber-St. George's-St. Barbe): Mr. Speaker, under the provisions of Standing Order 43, I move, seconded by the hon. member for Broadview (Mr. Rae):

That this House direct the government to discontinue its plans for the termination of the community employment strategy program in the western part of Newfoundland and, in particular, the Labrador Straits community employment strategy association and the Port au Port community employment strategy association, it being the view of this House that to discontinue these programs at this point, when local associations have strategies in place, without adequate provisions for implementation will tend only to undermine local community efforts to foster local development.

Mr. Speaker: The presentation of such a motion for debate at this time, pursuant to Standing Order 43, requires unanimous consent. Is there unanimous consent?

Some hon. Members: Agreed.

Some hon. Members: No.
