

Fisheries Improvement Loans Act (No. 2)

Some Hon. Members: Agreed.

Motion agreed to and Bill read the third time and passed.

The Acting Speaker (Mr. Blaker): Is it the wish of Hon. Members that the Chair call it five o'clock?

Mr. Smith: Mr. Speaker, given that we have put three Bills today through all the stages, we have done a good day's work.

I am sure everyone in the House will see the clock as reading 5 p.m.

The Acting Speaker (Mr. Blaker): Is that agreed?

Some Hon. Members: Agreed.

At 4 p.m. the House adjourned without question put, pursuant to Standing Order.
