Manitoba Club,
Winnipeg, Man.

Dear Colonel:-

I acknowledge receipt of your letter of the 6th instant and thank you very much for your congratulations on my appointment to the Principalship of this University. Your kind words come as a double pleasure, because you were an old graduate of the University and also one of my old officers.

Naturally I was sorry to leave the service of the Militia, but the principal reason for that sorrow was that being here deprives me of many opportunities of seeing the men with whom I was so intimately associated in France.

I am much interested in what you tell me about taking a position at the R.M.C. I do not know just what it is, but I have every confidence in Macbrian's judgment. I regard him as the hope of the Canadian Militia.

Cordially reciprocating your good wishes, I am, dear Ken,

Ever yours faithfully,
