MONTREAL'S MODERN EVENING NEWSPAPER

MONTREAL, FRIDAY, AUGUST 7, 1931.

Million Dollar Convention Hall For Montreal

Montreal's million dollar convention hall, plans for which are proceeding apace, is pictured above as drawn by Luke and Perry, Architects. Ald. William S. Weldon, prime mover for the project, is backed by Mayor Camillien Houde. The hall will be built over the McTavish street reservoir, which must be covered over anyhow. It will seat 7,800, in the large hall, and will have smaller committee rooms. Unemployed relief funds may be used in its construction.
