

(7) Candidates for the M.S.A. degree, who select Agronomy may register in September or January. In the latter case they will be expected to remain in residence until the end of September, and application must be made before February 1st. It is recommended that one summer be spent in the Agronomy Department, before or during the course, to allow for practical, field, laboratory and thesis work during the growing season.

THE DEGREE OF MASTER OF COMMERCE (M.COM.).

This degree shall be granted upon the recommendation of the School of Commerce, and the requirements shall be substantially the same as those for the degree of Master of Arts.

REGULATIONS FOR THE DEGREE OF DOCTOR OF PHILOSOPHY (Ph.D.).

(1) Candidates for the degree of Doctor of Philosophy must hold the degree of B.A. with honours; or B.Sc., with honours, or M.S.A., with honours, or M.D., with honours from McGill University, or its equivalent.

(2) They must follow a course of at least three years' resident study at a university or other institution of higher learning or research. Of these three years, at least one year for graduates of McGill; and two years for candidates who are not graduates of McGill, must be spent at the university, including preferably the final year. The other years may be spent at institutions approved by the Faculty. Special exceptions regarding resident study may be made with the consent of the proper Divisional Committee and the Faculty. The evaluation of work done in other institutions for the degree shall be decided by the proper committee of the Division of the Faculty, and this Committee may require the student to attend before them to report on his work, and may require him to pass a special examination on his work.

(3) They must select one major subject. A minor subject may be selected, with the consent and approval of the head of the department in which the major subject is, subject to the advice and agreement of the head of the minor department. The amount of time devoted to the minor is at the discretion of the head of the department of the major subject.

Courses leading to the degree of Doctor of Philosophy are offered in the following as major subjects:-

Bacteriology.
Botany.
Biochemistry.
Chemistry.
Economics and Political
Science.
Geology.
Zoology.

Pathology.
Experimental Medicine.
Psychology.
Pharmacology.
Physics.
Physiology.
Plant Pathology.
Oriental Languages.

In special cases heads of departments may be able to provide courses in other subjects which will lead to this degree. Candidates, therefore, desiring to proceed to the degree of Doctor of Philosophy in other departments than those mentioned above, should make direct application to the Faculty of Graduate Studies and Research, asking whether courses in such subjects can be provided.

(4) The course of study which the candidate desires to follow must, before he enters upon it, have been submitted to the heads of the several departments concerned and to the Divisional Committee concerned, and have received their written approval.

(5) Every candidate must satisfy the Faculty of Graduate Studies and Research, that he has a reading knowledge of French and German.

The examination shall be set by the Department in which the candidate is taking his major; the passages chosen will be typical of the literature of his major subject. The Departments of Romance and Germanic Languages will act as examiners. The departments concerned may conduct the examination if they so desire.

Candidates are advised to take one language at the commencement of their first year, and the other at the commencement of the second year, but both language tests should be
