

THAT OUR NOVICES MAY BE SOOTHED

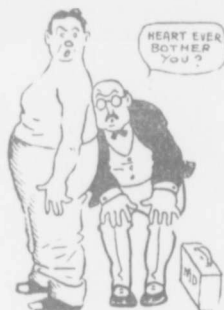

If you start in to try to figure out what is going to happen to you, your imagination will have stripped gears in no time.

The ceremonies will be of the most impressive character, we assure you.

However, if you find yourself in a position that causes you to suffer great pain, why, yell; nothing pleases the faithful more than to know their efforts are being appreciated.

Some of you may have strong third party ideas. Forget them. Believe me, after our little party on June 2nd you will acknowledge that our party is the only true progressive one.

It might be of interest to mention that Al Azhar has an efficient staff of M.D.'s, headed by Doc Patrick of Karakuli Arabi fame, and they are supplied with salves, ointments, bandages, and surgical supplies. Why worry?

Doc. Patrick on the Job.

But don't get too cocky—play the safety first game—dodge and bear in mind the following:

Recent Tragedies

A man struck a match to see if the gasoline tank on his auto was empty. It was not.

A man speeded up to see if he could not beat the train over a crossing. He could not.

A man blew out the gas to see if the asphyxiation tales were jokes. They were not.
