"SAFE CIGAR LIGHTER"

The World has secured a convenient, safe and reliable cigar and pipe lighter which has only to be seen demonstrated to be appreciated. The lighter eliminates the danger of carrying matches and is ready for instant use and is as reliable on a windy street as inside a building. It is the companion of the gas and range lighters and can be utilized for that purpose, so that the smoker will find it unnecessary to grope for a match, as his cigar lighter will be always available to locate the keyhole and light the gas. It consists of a nickel-plated, twin-tube in size to fit in the vest pocket. A safe pocket lighter that does not get out of order, it requires but little attention and will always be ready. This lighter can be secured on The World's popular coupon plan, for six consecutively dated coupons clipped from The Daily World and 40 cents. The distribution will continue today at The World office, 40 West Richmond street, Toronto, or 15 East Main street, Hamilton. As a cigar lighter it is good any place. For gas lighting it will only ignite manufactured gas.
