### TWENTY-SECOND YEAR

### ASKED TO MAKE HIMSELF A FOOL BUT MR. MARTER DECLINE

The Member for North Toronto Tells Why He Twice Voted With the Government—"In the Name of Heaven What Are the Matters of Policy?"

There has been a great deal of discussion in political circles during the last few weeks, especially when the Legislature was in session, as to the attitude of Mr. Was in session, as to the attitude of Mr. G. F. Marter, M.L.A. for North Toronto, with regard to the Conservative party and the Conservative part Mr. Marter was no more general and the same desk. Mr. Marter, moreover, on the same desk. Mr. Marter, moreover, on two occasions during the session, voted two occasions during the session.

mr. Marter Interviewed.

To ascertain from Mr. Marter his version of the differences existing between himself and Mr. Whitney, a World reporter waited upon him yesterday afternoon.

During the last session that has just my Marter said he voted against which are last session that has just my Marter said he voted against which was a conservative, and support the leader. I am now considering whether I shall retire or run as an Independent."

Mr. Marter believes that there is too marter waited upon him yesterday afternoon.

During the last session that has just my Mr. Marter believes that there is too marter waited upon him yesterday afternoon. of the differences existing between threself and Mr. Whitney, a World reporter waited upon him yesterday afternoon.

During the last session that has just closed, Mr. Marter said, he voted against the Opposition on two important questions. The first adverse vote was on Mr. Boyd's amendment on the beet sugar factory question, the leader of the Opposition contending that the Government did not go far enough with its proposals and that the farmer ought to reap the benefit of the country's generosity towards this industry. Mr. Marter considered that to develop the industry it was necessary to give a bounty. Mr. Marter considered that to develop the industry it was necessary to give a bounty on the manufactured sugar, and that when the industry was started it perices and."

Doubts as to Policy.

To you still call yourself a member of the date.

Tall not all relate or run as sidering whether I shall retire or run as in Independent."

Mr. Marter believes that there is too the expression for a conference of the Government and a committed to retriving on March and the farmer ought to reap the proposals and that the farmer ought to reap the proposals and that the farmer ought to reap the proposals and that the farmer ought to reap the proposals and that the farmer ought to reap the proposals and that the farmer ought to reap the proposals and that the farmer ought to reap the proposals and that the farmer ought to reap the proposals and that the farmer ought to reap the proposals and that the farmer ought to reap the proposals and that the farmer ought to reap the proposals and that the farmer ought to reap t should be advanced as far ss possible before they would not grow the beets. Mr.
Boyd unnecessary and altogether a fool
Doubts as to Policy.

Doubts as to Policy.

Doubts as to Policy.

Should be advanced as far ss possible before that date.

Evidently, however, the conference will
take place after the sessions of Parliament
and the Legislature.

## EFFRONTERY UNPARALLELED

HON. MR. TARTE'S DEPARTMENT Is the Proposal of Yankees to Have a Monument Erected at Quebec to Gen. Montgomery.

SO SAYS THE MONTREAL WITNESS

dict Arnold, Says the Edi-

House in committee was discussing estimates to-night Dr. Sproule brought up the matter of Mr. Tarte's dismissal of 70 employes, as reported in the newspapers said that in the mechanical branch 13
English and only two French-Canadians
Montreal, April 22.—(Special.)—The Daily Saturday.

Mr. Tarte's explanation was that large number of men were employed around the buildings. When there was plenty of work more men were required; when work fell off, men had to be dismissed. "When when there was pienty of work more men were required; when work fell off, men had to be dismissed." There were some people, Dr. Sproule it they value Montgomery as a national hero the department I found in my room a secret stairway. I had it taken to the department I found in the dismissed men usually just to put to the dismissed men usually just to put others—his friends—in their places. He sub-to-the course, more English than French had been dismissed."

The Americans, who are asking for it, exhibit an effrontery almost unparalleled. If they value Montgomery as a national hero let them inscribe his name on Bunker Hill.

There were some people, Dr. Sproule they value Montgomery as a national hero let them inscribe his name on Bunker Hill.

The Americans, who are asking for it, exhibit an effontery almost unparalleled. If they value Montgomery as a national hero let them inscribe his name on Bunker Hill.

The Americans, who are asking for it, exhibit an effontery almost unparalleled. If they value Montgomery as a national hero let them inscribe his name on Bunker Hill de.

St. George is said to have been martyred by the Emperor Diocletian for refusing to abhure the Christian faith. Some legends related that he married the Princess after monument, or in some other public place that he married the Princess after work and the course of the c mitted it was only fair when more men in their own country. Their desire to Some hon. members: Oh, oh!

Mr. Tarte: Yes, I am; I find I cannot go
out of my department but I am followed

Mr. Tarte replied he couldn't help it;
that all Ministers of Public Works nad to out of my department but I am followed by men looking for work.

"How many were dismissed the other day?" Dr. Sproule asked.

"Two or three," answered Mr. Tarte, respired his statement of the number of day?" Dr. Sproule asked.

"The papers say 70," said Mr. Sproule.

"Oh, well, my hon. friend should not believe all the papers say. They mean well, but they are not always well informed," was Mr. Tarte's rejoiner. Then he went on to say some of the men had been in the service for five yearrs, and to tell how sorry he was for them, and how he wished to heaven somebody else had been made.

But Mr. Tarte replied he couldn't help it works not to conform to political requirements.

Then, in reply to further questioning, Mr. Then, in mountent of the number was 45 or 50, namely 25 stand, as the Americans will who never stand, as the Americans will who
