Ontario: Sir,-You are reported in the issue of The Toronto World of Monday, the 23rd ed into thin air. inst., as having stated in a sermon delivered by you on the preceding Sunday evening to your congregation in the Annette-street Methodist Church, that you were informed that when, as Inspector of Licenses for West York, the proprietor of the visit, and you asked that petitions be circulated demanding my dismissal. On the following Monday morning, having met you on the street, I asked you to give me particulars and the name of your informant. This you refused to do, stating that if you did so the hotelkeeper would be persecuted.

Toward St. John's, is Forced

Toward St. John's, is Forced

Toward St. John's, is Forced

Toward St. John's, is Forced I made an official visit to an hotel I

ing that if you did so the noteties, would be persecuted.

Permit me to tell you, sir, that it is not now and never has been necessary for this trouble to be taken, neither is the complete of the top to be dismissed. My resignation is and always has been TAKE A MONTH TO CUT ANOTHER OUT CANNOT HOLD GOOD LONG HERE resignation is and always has been from the hour of my appointment before the License Department. I was appointed to the position in my absence from the country, without my knowledge or consent. It has always been understood that another appointment would be made as soon as Mr. W. J. Hill, or whoever had the right to recommend an appointee, ishould feel himself in a position to do so. My friends know that I have many times asked to be relieved. If it be any sat

with.

No Longer Inspector

My second reason for withdrawing from the position is, that there are so many persons who maintain their repuly upon the vigor of their public or private criticism of those entrusted with the difficult task of enforcing the from the use of the high pressure materials. "We are surprised," concludes Mr. Tarte, "that Mr. Blair who has comwith the difficult task of enforcing the law. As you have lifted yourself high into the public gaze, you cannot accuse me of being personal when I ask you to further consider you rown case. Have you ever done so much as to turn your hand over to assist me in the enforcement of the law in West York?

We are surprised," concludes Mr. Tarte, "that Mr. Blair who has common sense and judgment should have used such arguments and such methods in the case of an old and tried servant of the Liberal party."

INTO LOAD OF LAW-LOGS.

Owen Sound. and have done much for the upholding of the town. It is certainly not the individuality of the upholding of the town that brought victory to the in the case of an old and tried servant of the Liberal party."

INTO LOAD OF LAW-LOGS.

There Are Others.

But, sir, you are not alone. I once recommended and induced the License Board unanimously to adopt a resolution to cut off the shop license in your town—a place that, at that time at least, was a source of moral degrad.

World-beating record. Mayors, Reeves, town and village clerks should write the Siche Co., S3 York-street, Toronto, for catalog. Siche Gas is equally suitable for houses, stores, hotels, etc.

Valves. Hydrants, Valve Boxes Co. least, was a source of moral degrada-tion. A prominent member of your congregation and one of the most prominent members of temperance organizations, now the Mayor of your town arose in your Town Council a cast his vote in condemnation of my action, and in favor of a resolution praying for the continuance of the

Every child knew that there was no in Woodbridge the population to justify three hotels. But there were not ten temperance electors in Woodbridge who did not put their names on paper condemnation of my action and praying for the third hotel. one hotel which you had the courage

a Majority of 116-Premier Baifour Calls Indian Frontier Key of Britain's Military Position Should Russia Become Offensive.

in Sunday Sermon.

London, Feb. 24.—When the debate on Mr. Beckett's proposed amendment to the address, in reply to the King's speech at the opening of parliament, was resumed in the House of Commons to-day, the attack on War Secretary Brodrick was continued.

Winster Spencer Churchill (Conserved)

Winston Spencer Churchill (Conserva-Winston Spencer Churchill (Conservative) declared Mr. Brodrick's expectations had only been realized in two directions, namely, in the decrease in the number of volunteers and in the increase of expenditure. There were, Mr. Toronto Junction, preached a sermon in which he said "he had been man in which he said "he had been told by a friend that the License told by a friend that

Humbug and Shell. visit."

Yesterday J. M. Pe ven, the West York
License Inspector, wrote an open
letter, published below, stating that
he has resigned, and demands that
Mr. Shore give the particulars of
the charge before the authority havthe charge before the authority havto investigate it.

Humbug and Shell.

The speaker further declared that the whole army corps scheme was a "humbug and shell, and was only introduced with the object of militarizing England."
He asked where the government expected the three army corps intended for foreign service were to operate? It was not in South Africa, and such a force was not peeded on the Indian frontier.

greater significance than the division on it, and would be remembered long

NORTH GREY REDEEMED

Conservative Defeats Government Can didate in the Only Federal By-Election in Ontario.

GREAT REJOICING AT OWEN SOUND

ernment Given as the Cause

Three Dominion by-elections were held yesterday. They resulted in the return of a Conservative in North Grey and Liberals in Terrebonne and Two Mountains. North Grey is a loss to Sir Wilfrid's gov-

that the government deserved well of the country. The government did not trim its sails to popular favor, and if the House desired an army on a scale that the government thought inade quate, the House must look to another government. ing power to investigate it.

Rev. T. E. E. Shore, when informed of the substance of Mr. Pearen's letter last night, replied: "I have nothing to say." "Will you accede to his request and make known your informant?" he was asked. "I have nothing to say," was the reply.

not in South Africa and such a force was not needed on the Indian frontier, and they certainly could not contemplate the three army corps operating in Canada, for the United States was "no more prepared to invade the United States."

The House finally rejected by 261 The House of Universal ware and fireworks, the victory of T. The House finally rejected by 261 The House finally r In the course of the debate one of the Liberal leaders, Mr. Asquith, expressed the general feeling when he remarked that the debate was of greater significance than the division It is a curious circumstance that the servatives are shouting their lungs

after the Six Army Corps had vanished into thin air.

Balfour's Idea.

Premier Balfour in winding up the debate for the government complimented Mr. Asquith on going to the heart of the question, namely, whether the army was too large and costly for the empire's needs. Of course, he said, the fleet stood first, but there were in joyous expression of their victory.

Country Conservative.

The army was too large and costly for the empire's needs. Of course, he said, the fleet stood first, but there were in joyous expression of their victory.

Country Conservative.

The carliest returns from the Owen Sound polling subdivisions were discouraging to the Conservatives, and when, finally, the complete figures for the fleet stood first, but there were in joyous expression of their victory.

Country Conservative.

The carliest returns from the Owen Sound polling subdivisions were discouraging to the Conservatives, and when, finally, the complete figures for the fleet stood first, but there were

Whoever owns and controls this power can control every trolley line in Whoever owns and controls this power can control every trolley line in Whoever owns and controls this power can control every trolley line in Old Ontario, can control the local rates of the Grand Trunk, the Canadian that will probably increase the figures by about 40.

But this power is being rapidly given away by the Ontario government. Whoever owns and controls this power can control every trolley line in limits.

But this power is being rapidly given away by the Ontario government with two places to hear from, that to private monopolistic companies, who hope to exercise the control, and to will increase the figures to about 20.

None is to be kept for the Farmer or Ordinary Citizen of Ontario. He must look out for himself. The government and legislature in the Queen's Furk are not to look after the citizen; their duty is to the capitalist and monopolist-to give him everything the citizen owns. They hold his hands while the power-grafters shake out his pockets!

What a preposterous idea that George W. Ross, Premier; John M. Gibson Attorney-General; John Dryden, Farmer-General, should do anything for the citizen but help to forge yokes for him!

We said a moment ago there was electric energy at the Falls sufficient to run all the railways across our peninsula. Doesn't it begin to strike you that perhaps the big roads, perhaps the Vanderbilts, are really the concerns Narrew Escape of a Man Who Had Man Thought to Be William Thomps that are cornering the power even there so as to run their railways cheaply? The day of the conversion of railways from steam to electricity is at hand; you may see this work go ahead very rapidly any day now that the Ross gov

Think of it, farmers, that you owned the greatest water-power on earth, a source of energy that would have given you all the light and motion, all your trolley car traction for ever at cost price, and have given you absolute control of the traffic charges of the great railways, and that it has been turned over to private monopolists by the very men that you made stewards of
