

Jimmy Britt ought to be able to open a pretty fair thirst drencher on the strength of that last one.

The theory that a fighter once given a hard beating never comes back is not proven in the case of Jimmy Britt. He was given two lacerations in long fights by the Battler, and the Battler was given a bad thumping by Gans. The Dane seems to have lost his marvelous ability to absorb punches, and therefore is no longer a fighter of the first rank, because that was his only stronghold. Britt is not a better fighter than when he first met Nelson, if as good. The probability is that Gans could whip the pair in one evening just now. And yet again, we have not lost sight of Jimmie Britt, who was in Jack O'Brien's class as a nature fakir.

"Watch that boy, Walter Gibson," said a thirty-third degree fan yesterday. "I have seen Mooney Gibson, Grimshaw, Congalton, Crawford and all that bunch of old Canadian league players, who have gone to the big leagues and made good, and not one of them played any better ball than that boy. He is a great pitcher, and with, say a couple of years' seasoning in a minor league, he will go to the big leagues and stick. He has great curves, good control, fast breaks, good head work, baseball sense, and above all the very best of habits. He's a natural ball player. I would not be a bit surprised to see him picked up before next season, and started towards the big league. He's good."

The Stars had quite a strenuous struggle at St. Thomas on Wednesday when they made the Wabash team step every minute of the way home at a clip that made them dizzy, and then walking away with the game in the tenth. Isshy Clark is coming back to his own, and will make them all work to beat him before the snow flies. That city league race is going to be some.

The struggle between the C. A. A. U. and the Federation has reached the stage when they call each other cheap sports. That looks like a very bitter warfare. They will be saying "scat" to each other shortly.

Tom Reece, the English billiard player, in a recent match with Chapman at London, made a break which is the highest ever made in the history of billiards.

The match was 500,000 points for game, and Reece made the remarkable break of 499,135 unfinished. This break included 248,135 anchor cannons. At the conclusion Reece was presented with a check for \$500 and a gold watch suitably inscribed. Chapman was also the recipient of a check. The time taken to accomplish this remarkable feat was 55 hours and 49 minutes.

J. Britt beat Battling Nelson up at Frisco the other night. The first breath of it has just reached here, but it does not smell like a sweet magnolia.

Since Gates, the plunger, has left, the Brighton Beach bookies are beating the talent to ribbons. It begins to look like revenge with a roiling R.

The matinee races Wednesday afternoon were good, although most of them were two-horse affairs. Geo. G. McCormick's Skiddow was good, and won his race nicely. Jas. McCartney turned loose a new trotter, Wm. P. He has a turn of speed, but was not always good. Dr. Hughson's Rolex Rex made him step to the wire to win. The doctor's horse is some trotter at that, and will do much better. Dr. Routhledge drove him a half in good style. The horses in the slow classes are improving nicely, and some of them will have to be moved up soon. Johnnie K was given a mile round 20, and did it in good style. The crowds at the mats are increasing.

LAKE ERIE CIRCUIT

Favorites Lost and Fraternity Are Again Hard Hit.

Erie, Pa., Aug. 1.—Today's events were another hard blow to the fraternity, favorites continually going down to defeat in both heats and races. The first race of the day, the 2:16 pace, is still unfinished, a winner failing to develop in the nine heats run. This race will be the first on the programme tomorrow afternoon, when it will be finished in one heat. Of the 33 original starters, but four remain in the field with two heats credited to each. They are Furl, Jim Farley, Hal Haven and Edna V. with Furl a first favorite and Jim Farley a second choice. Ben Russ was the leading favorite in the 2:34 trot, but Bervaldo led the event in three straight heats, the favorite taking second money.

The third race of the day, the 2:32

Donovan was only in serious trouble in the second and seventh. A double by Laporte and a single by Rickey scored a run in the second and then the locals went hitless until the seventh. Two short singles past O'Leary and a further one past Downs earned another run in the seventh and the final tally for the Griffiths was made in the eighth in a walk to Conroy.

Out the fifth not one of the Highlanders went out on a ground ball and after that Donovan seemed to ease up and O'Leary and Cobb were thus enabled to make star plays. Jennings' suspension will expire tomorrow. The score:

**Kill 421 Persons in the United States in Three Months.**

Washington, July 31.—Shocking railroad accidents, involving great loss of life and property, occurred in the United States during the three months ended March 31, according to accident bulletin No. 23 issued today by the Interstate Commerce Commission, which shows that the total number of casualties to passengers and to employees while on duty, during the three months, was 20,568, as compared with 20,844 reported in the preceding three months—a decrease of 276.

The total number of passengers and employees killed in train accidents was 421, and the number of injured 4,920, 53 less in the number killed and 20 less in the number of injured, as compared with the record of the preceding three months.

The number of collisions and derailments in the quarter was 3,981 (2,078 collisions and 1,913 derailments), of which 223 collisions and 229 derailments affected passenger trains. The damage to cars, engines and roadway by these accidents amounted to \$6,536,116.

Charles H. Lord, of Dunbarton, N. H., recently cut a large pine tree on his farm which, from the rings, was 260 years old. The tree was 124 feet tall, measured 5 feet 4 inches on the stump, and at the height of 50 feet measured 2 feet in diameter.

## STILL ANOTHER SCALP FOR TIGERS

Donovan, Given Gilt-Edged Support, Has Game Stowed Away in Sixth.

New York, Aug. 1.—On their farewell chaw at the Highlanders today, the Tigers bit off a 4-to-3 victory through the effective pitching of Donovan and timely hitting behind him. Ban Johnson, surprised at the turn of affairs, wired Umpire Tom Connolly to muzzle the Michigan animals, and though the referee banished Schaefer for putting his foot outside of the coaching line, an offense condoned when Griffith or some of his illustrious aides were imitating Comanches, the Detroiters were not to be held, and won despite the warning from headquarters to keep the pennant away from the centers of population.

Runs came singly, but the Detroiters had enough to win by the end of the sixth. They obtained their first tally through a miff of an easy fly by Rickey, but hit in the three following counts without the aid of misplay or lack of aim of the pitcher.

For the third successive time the Detroiters played an errorless game, Cobb's fumble of Laporte's double in the second being the nearest approach to a misplay by the visitors. The ball jumped up and hit Ty in the cheek and though the southerner made a quick return to second Laporte was safe.

Rickey's miff of Cobb's fly gave Detroit its first run. Jones singled in the opener of the first ball and was out stealing. Coughlin walked, went to second on Crawford's out and scored on Rickey's miff of Cobb's fly. Downs singled in the second, was forced by Schmidt, who reached the midway on O'Leary's out to the box.

Donovan made his one hit of the day and scored his receiver.

Run No. 3 came in the third on Cobb's double and Rossmann's single after two had been retired. The run necessary to win was scored by Cobb in the sixth. By fast running Ty beat out a grounder to short and moved to second on Rossmann's sacrifice. Laporte took Downs' fly and Cobb reached third on the out. From that point he scored on Schmidt's single past Conroy.

Donovan was only in serious trouble in the second and seventh. A double by Laporte and a single by Rickey scored a run in the second and then the locals went hitless until the seventh. Two short singles past O'Leary and a further one past Downs earned another run in the seventh and the final tally for the Griffiths was made in the eighth in a walk to Conroy.

### FOULING CHARGED AT CLEVELAND

Leading Jockeys in Clash Over First Heat in Sweepstakes.

Cleveland, Ohio, Aug. 1.—Another large crowd was out to witness the grand circuit races today, the weather again being fine. There were five events and each race was won in straight heats.

The most excitement was in the last race of the day, a sweepstakes for 3-year-olds, in which seven youngsters started. Bell Bird won the event in straight heats, but Mike Bowerman, the driver of General Watts, protested against the decision in the first heat, alleging that he was fouled by McDonald, the driver of Bell Bird.

The judges would not allow the protest, whereupon Bowerman attempted to strike McDonald. Other drivers separated them before any more blows were struck. Ben White, of Buffalo, driving The Count, was thrown in the
