Talk of an Aggressive Campaign To Head Off Temperance Party.

Toronto, Oct. 2.—At a meeting of the executive of the Ontario License Holders' Association held here yesterday it was decided to call a convention to meet in Toronto on Oct. 22, when from 500 to 800 members will be present.

Reorganization is in the air. It appears that there has been considerable friction between the local branches and the provincial organization, and it is the local organizations act as subcommittees of the main society. Active work will be commenced, if

plans mature, to conduct an aggressive opposition to the temperance party in the Province, who are regarded as making too much headway. Secretary Edwin Dickie resigned after thirteen years of service.

In fact, it must be said that the largest crowd ever seen in Thamesville was nere yesterday. Every train brought in a large number of home-comers. The Detroit and Windsor Old Boys came nome on a special train over 260 strong. They were met at the depot by a committee of the town and escorted to Sherman Park, where the exercises were held. Reeve Ferguson was the first speaker, and he welcomed the Old Boys to Thamesville on behalf of the home guard. Mr. T. W. Sims, president of the Old Boys' Association, welcomed the Kent delegation and the Detroit boys on behalf of the association. He considered the reunion a great success, and was more than honored in having had the privilege of addressing them. He tendered them a thousand welcomes. Mr. Sturgis also spoke briefly on behalf of the home guard.

The Detroit delegation then took charge of the programme. Mr. J. He touched on the Jap trouble, and said that it was a question that must be settled rationally, and that there

must be no panic. Thamesville defeated Dresden in a game of ball for the \$50 trophy by a score of 8 to 2.

The Home Boys and the Old Boys played a game of ball, the home guard winning by a score of 7 to 6. J. W. Dulong umpired both games in good The councilors' ball was to have

OREGON SHERIFF KILLED BY BOMB

Men Connected With Western Federation of Miners Are Blamed.

Baker City, Oregon, Oct. 2 .- The western faction of the miners was accused of instigating the death of Harvey K. Brown, formerly sheriff of this county, in an anti-mortem statement made by the victim yesterday after-

Brown was blown up by a bomb as he was entering his front gate late on Monday evening, the outrage being in many respects similar to that which destroyed former Governor Stunenberg of Idaho. The anti-mortem statement reads:

"I was on my way home from uptown last night, when I met a man in front of a residence about a block from my house, and spoke. The man made no reply. This man was about 5 feet 10 inches tall, his weight was 165 pounds. He wore a brown suit and a celluloid collar, and was clean shaven. I have been conscious of having been followed for three weeks, and I have no doubt been closely watched by persons connected with the Western Federation of Miners, and that I was marked for death on account of my connection with the Stunenberg
