> The Premier's Retirement Causes Considerable Concern.

Gladstone's Counsel to the Lovers of Ireland's Cause. Russia Lan Sailors and Stores on

the Corean Coast-The '88 Movement in Ireland ELECTIONS IN JAPAN.

London, March 15.-The Japanese parliamentary elections are proceeding quietly, and it is expected that the government will have a majority. RUSSIANS LAND IN COREA. London, March 25.-A Russian volunteer steamer has arrived at Chemuipo from Port Arthur, and has landed a quantity of stores and 57 sailors, who proceeded to Seoul.

IRISH DEMONSTRATIONS. London, March 15.-Big demonstrations were held Sunday in Dublin, at Limerick, and elsewnere, in connection with the '98 movement and the celebration of the birth of Emmet. There were no disorders.

THE ARMY RESERVES IN CANADA London, March 15.-A rumor was circulated here that the men of the army reserve, residing in Canada, would be called simultaneously with those of Great Britain and Ireland when the latter were summoned to the colors. Inquiry at the war office has utterly failed to substantiate the report, and military men generally discredit it. COLONIAL AFFAIRS DISCUSSED. London, March 15.-During the dis-House of Commons vesterday, the bury contemplates resigning either of been in any very large degree remedied. If they followed the history of House of Commons yesterday, the secretary of state for the colonies, Mr. Joseph Chamberlain, said he week's time, and will stay there about the railway commission appointed in England in 1873 they would find that it statement on the subject of the crisis in the West Indies, but this was im-

possible, in view of the reciprocity negotiations between the States, Canada, and the West Indies. Continuing, Mr. Chamberlain remarked that he was unable to say the negotiations had made much progress. The United States had asked for very considerable concessions, and he was not sure the West Indies, in their condition, would be able to make such sacrifices. If an arrangement were made it would amount to a bounty upon sugar exports to the United States. In conclusion, Mr. Chamberlain said the colonies would be in a better position if the negotiations were successful, but the neturn asked was a considerable reduction in the import duties, and would disor-

ganize the finances of the island. CABLE NOTES. The French Chamber of Deputies has adopted the postal arrangements signed last June at Washington. A dispatch from Vienna to the London Daily Mail says the agrarian revolt in Hungary is spreading. In a

var, two peasants were killed and 40 were wounded. The anniversary of the revolution of 1848, which culminated in the flight of Metternich and the accession of Emperor Francis Joseph, was celebrated at Vienna Sunday with unusual demonstrations, owing to the political ferment, but there was no disorder. Sir Richard Quain, Bart., physician extraordinary to her Majesty, president of the General Medical Council, and editor of the Dictionary of Medicine, is dead. He was born on Oct. 30, 1816, was a fellow of several learned societies, and the author of num- A Scandalous Accusation Met in the erous medical and scientific works. Order Early. the case of the American engineer, Mr.

rican millionaire, has been arrested. His name is Feldthein. Feldthein entered Mr. Joel's office and demanded £2,500. Being refused he snatched a revolver from a desk and fired. The bullet entered Mr. Joel's forehead and he fell to the ground and expired. His murderer attempted to commit suicide,

but failed. Sensational Murder of Millionaire Daily Mail, who gives the murderer's name as Von Veltheim, says: "He is reported to be the same man whose supposed body was found in the Thames, bound with rope, last year, but who afterwards turned up serving as a trooper in the Cape police at Veryburg. Mr. Joel and Mr. Strange, his manager, received Von Veltheim in Mr. Strange's room. All three had revolvers, a circumstance explained by the statement that the meeting was not an ordinary one. The first shot is said to have been fired by Mr. Strange at Von Veltheim, who had tried to seize Mr. Joel's revolver. Von Veltheim then fired at Mr. Joel, the bullet entering his eye and causing almost instant death. Several shots were afterwards fired. The clerical staff rushed in and Von Veltheim was secured, after a fierce struggle. The motive of the crime was failure in an attempt to blackmail."

to treat Mr. Maclean's question with every consideration he was roaming into a larger field than he had any prescience enough to give proper safeguards for the use of other lines, to get rumors that Baron Cromer, British the various lines to give running powagent and consul-general in Egypt, ers, the use of their staffs, stations, will succeed him as prime minister are etc., then the line would not have the right to do one dollar's worth of local traffic from one end to the other, for the local traffic must of necessity belong to the railway company that owns the road. They could only hope to get whatever traffic might offer at either terminus. Mr. Blair expressed his entire sympathy with the principle of nationalization of railroads. He declared that it was a radical error in the policy of the Government of the day, although the people would not have supported them in a different policy, when they allowed the great transcontinental highway to become the property of a private company. It was a dear policy for Canada. The sound policy for her welfare would have been that at any cost the country should own that great highway, so that they could treat the settlers in such a way as would induce them to stay there.
Mr. Maclean suggested that the 2cent experiment should be tried on the new line from Port Arthur to Winni-
