Jimmy Coon and His Friends The Adventures of the Little People of the Great Forest.

It was funny to see Jimmy Coon and Teddy Possum scamper home, yelling with pain at every jump, while those angry Bumblebees followed those two scamps and stung them at every step of the way. Glant Bear stood up on his hind legs and watched Jimmy Coon and Teddy Possum getting stung by those angry Bumblebees. And Glant Bear is so strong he those two rascals found my honey hot enough for their greedy mouths? I guess now they will stop laughing at me and calling me a coward!"

Then Cousin Bruin invited Dick Otter and Benny Mink to a dinner party, and those two rascals accepted the invitation, because they had not heard of the hugh prank that Giant Bear had played on Jimmy Coon and Teddy

ANOTHER PARTY.

Possum. When Dick Otter and Benny Mink arrived at Giant Bear's house, he welcomed them with open arms and gave them both such a hug with his powerful arms that they both yelled out: "Oh, Giant Bear! Don't hug us so hard; you will break all our ribs!" (You see, Giant Bear is so strong he doesn't know how to play gentle.)

And Giant Bear took his two hungry guests, Dick Otter and Benny Mink, into his big dining-room, which was out of doors, as you remember, in the summer. And Giant Bear explained: "Now, Dick Otter and Benny Mink, I know you are both very hungry and are both very fond of meat. You see those three grey paper bags hanging up their on those alder bushes? Well, each bag is full of lovely meat; and when I count three each of us will have a race to see which fellow can get his bag of sweet meat first and eat it up. I have a prize for the one who beats in this race."

And the eyes of Dick Otter and Benny Mink twinkled with excitement,

in this race."

And the eyes of Dick Otter and Benny Mink twinkled with excitement, and they both ran out their red tongues and smacked their lips at the sight of the big grey paper bags, filled with the choicest meat. You would have snickered to see those three fellows toe a line, and to hear Glant Bear count, "One, two, three—go!" And how the dirt and leaves did fly as those three grees leaved to jerk those three grey racers leeped to jerk those three grey paper bags off those alder bushes, so they could get the lovely meat inside for their dinner!

And what do you suppose was in And what do you suppose was in those grey bags hanging on the bushes? For, of course, Giant Bear was only joking when he said there was meat inside of them. You see, he wanted to pun'sh Dick and Benny because they, too, like Jimmle Coon and Teddy Possum, had spread the news that he was a coward. And they were to be punished now—that was certain!
