Note and Comment

Just an even quartet are left the single rink competition, which includes the Tankard team of the Granites, and now the Church-street proposition looks a 1-to-10 shot. H. A. Haisley represents Queen City, and George Duthie is there for Parkdale. They are playing the international annual curling match in Montreal for the Gordon medal with teams in attendance from New York, Boston, Utica, Jersey City and Schenectady. They call it curling, but it's a different game from ours, irons, not stones, being the implements of test. That's the reason we take little notice of what they call curling in Montreal, and why you never hear of that city taking part in the game in the great centres, like Tomoto and Winnipeg. the single rink competition, which in-

Tom Rennie and George Biggar Play Closest Game of the Night at Prospect.

The single rinks last night curled down o the semi-finals on good ice, and there were no surprises. In fact, the games were all one-sided, except that at Prospect Park, where Tom Rennie had to play for his life. George Biggar was two up, with three ends to go, but he lost three on the fourteenth; but was lying five the fifteenth, until Rennie drew the shot. The Granites scored one the last end. At Queen City, Wilson was always

ahead. Wellington scored frequent singles, when Granites had about four seconds. The Duthie-Mose Hunter combination more than doubled the score on Walter Lewis. H. A. Halsley disposed of his club-mate. Scores:

BARRIE, Feb. 4,-(Special.)-Newmarket defeated St. Pauls of Toronto n an uninteresting Intermediate O.H.A. in an uninteresting Intermediate O.H.A. game here to night for the championship of the district by 7 to 4. At the start the game was all St. Pauls, they scoring two goals in the first 10 minutes of play. The St. Pauls goal-keeper was penalized, and during his absence Newmarket worked like demons, succeeding in scoring three times in one and one-half minutes. At halftime the score stood 4 to 2 in favor of Newmarket. St. Pauls were the first to score in the second half, but did not live up to their reputation for being stronger in the last part of the game. Newmarket scored three times after a desperate struggle, and St. Pauls ran in the last, leaving the score 7 to 4 in favor of Newmarket. The Newmarket boys outclassed their opponents in team work and weight, but the Saints had wings when it came to skating. Their wing men, Carter and Harmon, were good, but the centre, Curzon, was the star from start to finish. For Newmarket, Doyle and Bremner starred. The teams:

Newmarket (7)—Goal, Racine; point, Day; cover, Brimson; centre, Bremner, rover, Doyle; left wing, Mulroy; right wing, Epworth.
