THRU WHOLESALERS

Witnesses Say Manufacturers Preferred to Supply Retailer Thru the Jobber.

would not have 'been surprising to have seen the doves of peace floating around the court. With the exception of a few buzzes on the telephone of harmony, this state of affairs continued until 4.15 p.m. At that hour a change came o'er the scene, and just when everyone was expecting Commissioners O Connor and Murdock and Mr. Roebuck to join in the hymn, "Peace on earth and goodwill to all men," the aurora borealis appeared in "Apart from the utter indecency of it, what relevancy has it to the proceeding to the proceeding will be subject to the proceeding to the proceeding to the country of the proceeding to the country of the country of the proceeding to the country of the proceeding to the country of the country of the registrar wishes the applicant to be sworn.

"Provision is made for registration of absentees on affidavit, but the affidavit must be made from personal knowledge and the deponent must appear personally and will be subject to examination."

There will be a board of appeal, or more than one board of appeal, consist-Mr. Roebuck to join in the lymn, "Peace on earth and goodwill to all men," the aurora borealis appeared in the sky, and the electricity began to circulate. H. H. Bain had just concluded his evidence, when Mr. O'Connor nor asked Mr. Roebuck to name the grocers he charged with combining, and the board would supply him wich the financial statements of those firms on them. For the possession of the board for so charged—such statements have been in the possession of the board for some time past.

Mr. Roebuck retorted that he could abuse the original possession of the board for some time past.

Mr. Roebuck retorted that he could abuse to charge of the combining in the combine was protected by the board, and he (Mr. Roebuck) was prevented from questioning him as to 'the reliability of his figures.

Mr. Roebuck said he was fully in accord with the policy that figures concerning a man's business affairs that had no public interest should be kept seered, but after the statement of policy.

(Continued from Page 1.)

The columnation of policy. The control of standard it would end the incident, but the court counts without the statement of the said.

"I'm. Roebuck has said he is going to what the financial statements have been in the possession of the board for supeal, consistent with the investigation. I want to go that the financial statements of these firms of the statement of the statement in the possession of the board of supeal, consistent with the would end the financial statements of the seader of the section of which the lists are going that the financial statements have been in the possession of the board of appeal or the combining of the possession of the board of supeal, consistent with the would end the statement of the board of supeal, consistent with the would red that the continued of the statement of the board of supeal, consistent with the would red that the financial statements of the seader of the seader of the seader of the board of the combining of the possession of the board of the combining of the po

policy.

Mr. Roebuck said he was fully in accord with the policy that figures concerning a man's business affairs that had no public interest should be that had no public interest should be kept secret, but after the statement the board made at the Hamilton inquiry he was compelled to alter his

reasons for Mr. Roebuck's present actions. He charged him with departing the proper attitude of the proper attitud

Hamilton."

For some time Mr. Murdock had tried to get a word in edgeways, and at last his opportunity arrived. "Put all the correspondence in," he said, addressing Mr. Roebuck, "and don't try to color things any more."

Mr. Roebuck: I resent that remark; but at any rate I have painted the board of commerce.

Mr. Murdock: I distinctly make the statement that you have tried to color statement that you have tried to color

"The hours for polling are made uniform through the province, that is from hims."

At this stage, Mr. O'Connor, evidently seeing that matters were getting to a real-hot stage, adjourned the board until the morning.

Thru the Wholesaler, Through the word that the terms of the word that the terms of the t

restraint of trade?" asked Mr. Roebuck.
"No," returned Mr. Blain, and before
he could add another word Mr. O'Connor

price-fixing, or to any operation in re-straint of trade. On the other hand, he contended it was right to combine if it did not do an injustice to others. Mr. Blain did not approve of chain stores, and thought the public did not benefit in prices by their existence. In regard to co-operative stores, Mr. Blain said his

to co-operative stores, Mr. Blain said his opinions were unsettled. He did not think they were legitimate traders.

At Morning Session.

At the morning session of the board the now famous letter sent out by the grocers urging Mr. O'Connor's appointment as chairman of the board dof commerce was very much to the fract. Mr. merce was very much to the front. Mr. O'Connor wanted Mr. Roebuck to argue did not think that the council should spend any money for contracts in the United States, a country which had there was some ulterior motive. Aft

reading the letter the chairman

clerk and agents to take the vote of bed-ridden patients at the bedside. "There is no provision at present in the Dominion act for a married woman becoming naturalized in her own Mr. O'Connor declared he failed to see any indications of Mr. Roebuck's change of action. Did he think it right, he asked, that all the figures supplied to the board by the cold storage people, the packers and the coal merchants should become public property?

Decomposition of the provided is to ensure that a woman, who has we been found to make the property of the naturalization of her parents, shall be properly qualified to exercise the franchise by residence, a knowledge of the language, and by satisfactory references as to character.

"Special provisions have been found to Indians who

right, he asked that all the figures supplied to the board by the cold storage people, the packers and the coal merchants should become public property?

"How about your consent not to ask for figures, Mr. Roebuck?" suddenly demanded the chairman.

Mr. Roebuck: "I never gave any such consent."

Mr. O'Connor: "Brush up your memory, Mr. Roebuck. There are witnesses in this room who heard the conversation."

"Parsopening gave Major Duncan, the local representative, a chance to dome in the act. He declared there were two reasons for Mr. Roebuck's present actions. He charged him with department of the supplied to the board by the cold storage people, the packers and the franchise by residence, a knowledge of the language, and by satisfactory references as to character.

"Special provisions have been found necessary with regard to Indians who are qualified to vote by virtue of service in the late war, and, in order to enable them to vote as well as other persons, who, althor resident on an Indian reserve, may be qualified, reserves will be treated as territory without municipal organization, and the voters' lists will be prepared for the naturalization of her parents, shall be properly qualified to exercise the franchise by residence, a knowledge of the language, and by satisfactory references as to character.

"Special provisions have been found necessary with regard to Indians who are qualified to vote by virtue of service in the late war, and, in order to enable them to vote as well as other persons, who, althor resident on an Indian reserve, may be qualified, reserves will be treated as territory without municipal organization, and the voters' lists will be prepared for the language, and by satisfactory references as to character.

"Special provisions have been found necessary with regard to Indians who are qualified to vote by virtue of service in the late war, and, in order to enable them to vote as well as other provisions, for any reason, the board has a dispensing power.

I'mps opening sevent actions of the

reasons for Mr. Roebuck's present actions. He charged him with departing from the proper attitude of an attorney-general, and with endeavoring to obtain a conviction at all costs, and to assume to himself the work the board was established to perform; and, further, he was doing his best to cast imputations on the board of commerce. I suppose, said Major Duncan, "these are the only reasons for the course he is taking." The major backed up Mr. O'Connor's statement that Mr. Roebuck had undertaken not to ask for any figures.

In reply, Mr. Roebuck said Major Duncan could suppose what he liked; it made not one bit of difference to him. "I wish it put on record," declared Mr. Roebuck, "that I did not give any consent, nor were any documents showr, to me at Hamilton."

For some time Mr. Murdock had tried

ment of both chief enumerators and assistant enumerators over to the election board, which will have the general supervision of the lilsts and will fix the polling places—that is, the places for which lists are to be prepared.

"The lists will be prepared by the enumerators, as at present, and will be subject to revision by the district judge.

"The board will make all arrangements, and it is hoped will be able to effectually provide against any abuses to which the former system was liable.

"It will be seen that the government will henceforth have nothing to do with the preparation of the voters' lists, and the preparation of the voters' lists, and as little as possible with the conduct of the elections. While it is possible that there was no actual wrongdoing as a

political supporters should have the nomination of election officers, and the bill is intended to discourage, as far as possible, the interference of candidates and political organizations with the machine of the control of the con

suitable changes.

"Part II. of the bill provides for the personal registration of all voters in cities somewhat after the manner of the former manhood suffrage registration act. Morelic money to the farmer's government would transfer the public money to the farmer's pocket. He over, the bill prevides for the right to be
