

**ACHES ALL OVER**

Ache all over? Feverish? Chilly? Just coming down with a hard cold? Where do you suppose it will settle?

In the throat? That means hoarseness, sore throat, tonsillitis. In the chest? Then bronchitis, pneumonia, consumption.

Do not let your cold settle. Break it up! Drive it out! Ask your doctor the best medicine for this. If he says Ayer's Cherry Pectoral, take it at once. If he has anything better, take that.

Made by the J. C. Ayer Co., Lowell, Mass.

The executive committee of the Baptist Convention of Ontario and Quebec met yesterday morning and made arrangements for the convention to be held Oct. 15 to 20. Although nothing definite was done regarding the place of meeting it is probable it will be held in London, Ont.

On the convention program will be the discussion of home and foreign missions; the work in Manitoba, the Northwest Territories and British Columbia; educational work and Sunday school work. The report of the English conference will also be read.

The executive also named delegates to represent the Canadian Baptists at the World's Baptist Congress in London, Eng., July 11 to 15, 1905. They are: Nova Scotia—Rev. H. F. Adams, formerly of Toronto, Manitoba—Rev. W. T. Stachhouse and Rev. J. J. McNeill, Ontario—Rev. A. A. Cameron, Ottawa; Rev. W. J. McKay, editor Canadian Baptist, Chancery Wallace, McMaster; Rev. J. G. Brown, Professor Tanager, Rev. W. E. Norton and Mrs. C. J. Holman of Toronto. Appointed alternates: Rev. Dr. Gordon and Rev. J. L. Gilmour of Montreal.

**At Osgoode Hall.**

The court of appeal yesterday reserved judgment on a motion for leave to set aside the divisional court's decision in the suit of Edward O'Donnell against the Canadian Foundry Co.

Robert Emmet and John A. McLaughlin, the two officials of the Moulders' Union, against whom the Canadian Foundry Co. obtained a series of judgments and injunctions, appealed to the divisional court yesterday to be relieved from the operation of these judgments. George Davis of Ottawa, N. Y., was granted an order to examine the witnesses there in his claim against the estate of "Miser" Todd for \$5000 on a note in 1887.

Proceedings have been commenced by Wilson Patterson & Co. of Montreal to set aside the Atlantic Soap and Oil Co. of Toronto, on a claim of \$1424. The liabilities are placed at \$24,773 and assets \$10,200.

**Approves Commission.**

Dr. Hodgkins, secretary of the Provincial Board of Health, approves of the suggestion to appoint a Dominion commission to enquire into the tuberculosis danger. He hopes it will result in some practical recommendation suitable for the guidance of the province and municipalities for the erection and maintenance of sanitariums. Such a plan should prove a preventive of the disease and the plan so worked that the cost decrease year by year.

**A Case of Smallpox.**

A young man, visiting his parents in Toronto after working in the lumber camps around New Lisleside, has been taken to the St. Michael's Hospital here suffering from smallpox. He came to the city via Montreal, where he probably contracted the disease.

**Dull Headaches.**

**Terrible Pains and a Frequent Desire to Urinate.** Such were the troubles of Mr. Joseph Leland, Alma N.W.T. He happily found relief in **DOAN'S KIDNEY PILLS.**

Here is what he says: "I was troubled with dull headaches, dull, frequent, terrible pains in my legs, and a frequent desire to urinate. Noticing Doan's Kidney Pills recommended for kidney trouble, I decided to give them a trial. I took a great deal of pleasure in recommending them to all kidney trouble sufferers."

Doan's Kidney Pills help the kidneys to drain off the poisonous impurities which have collected, thus cleansing out the kidneys, bladder, and all the primary passages. They correct inability to hold the urine, and thus obviate the necessity of getting up many times at night to urinate. Their good results will be immediately felt in all cases of kidney trouble.

Price 50 cents per box, or 3 for \$1.25. At all dealers, or will be mailed direct on receipt of price, by THE DOAN KIDNEY PILL CO., TORONTO, ONT.

**At the 13th annual meeting of the officers of the 48th Highlanders at the Armouries in Montreal, the various standing committees of the regiment were presented and approved. The report of the regimental committee showed that the financial affairs were in a most satisfactory condition, there being a substantial balance at the credit of the regiment in the bank and no outstanding liabilities. The report of the other committees were equally satisfactory. The following committees were elected for the ensuing year: Regimental: Captain and Lt.-Major Donald, Lieutenants Chisholm, Catto, Lieutenant Osborne, Band Committee: Major Robertson, Captain Marshall, Regimental Committee: Major Henderson, Captain, Lieutenant Miller, Lieutenant Chisholm, Mess Committee: Major Michie, Captain Surgeon-Captain Smith, Lieutenant Wilson, Athletic Committee: Captain Mitchell, Captain, Captain Cosby, Lieutenant Darling. The order for the brass pipe and bugle bands with feather bonnets. The order for these bands was given by the commanding officer, who presided, intimated that the regimental recruit band was to be formed shortly. The question of the outfit of 24th of May trip was referred to, but no decision arrived at. An invitation has already been received by the commanding officer therefor.**

**SALARY TO OPPOSITION.**

Editor World: I have read with interest what your correspondent says in regard to a salary for the railway of the province for the ex-premier, G. W. Ross, and I agree with him that Mr. Ross has a right to a salary as a public man. No man in public life to-day has less so long or so simple as Mr. Ross. He has been a minister over 20 years, and at no period during that time has he been paid less than \$4000 a year, which would be at least three times as much as he would have earned if he had not gone into politics but had remained a public school inspector.

**WHAT IS THE GAME?**

Montreal Herald: Does the demand for a three-cent fare for a third-class ticket for a fifty-year franchise to the Montreal Street Railway, hide behind its apparently innocent front a scheme devised in the interests of the company? The proposal comes from a southerner, a man who is known to be a manipulator of "street" stock. It was the Montreal Star that first intimated that the company was planning the destruction of the competition by the introduction of a new fare. **CUT TWO APPROPRIATIONS TO BUILD WHARF SHELTER**

Necessary Improvement for Island Park—Ald. Jones Goes Strong on Groyves.

The island committee yesterday went into the estimates prepared by Park Commissioner Chambers with some detail, although the changes made were slight. Chairman Jones had evidently been studying the appropriations and was able to explain the wants for which money was asked.

The total amount asked was as follows: Island Park, including waterworks, \$7,812.14; Island Park, permanent improvements, \$2,000.00; Electric light station, \$1,310.00; Island, \$1,012.00; Island lighting, \$73.90.

From this total but \$350 was deducted, \$100 being for reshingling the Heber House, \$250 for a new pavilion at Hamilton and \$500 deducted from the estimate for a wharf in Blackhouse Bay. The appropriations last year amounted to \$23,770, the present increase of over \$50,000 being caused by the proposed groyves and other permanent improvements.

City Treasurer Coady reported that the revenue to be derived from an extension of a water main to Ward's Island would not exceed \$120 per annum. The engineer estimated the cost of the extension at about \$2000. Ald. Chisholm thought those seeking the privilege should pay 6 per cent, on the cost just as other citizens. It was decided that the work be done in the usual way.

Ald. Jones said the Ferry Company had promised to run a regular service into Blackhouse Bay if the city built a wharf at the lighthouse. The item passed the estimate, the wharf being cut from \$2000 to \$1500.

**Question of Groyves.**

Eight groyves for the lake front, to cost \$24,000. Ald. McBride moved that the number be cut to five. The motion was carried. He would also move in council that the Dominion government be petitioned to change its policy in regard to the breakwater and asked to substitute groyves. The city engineer said he could not do so without this.

Two thousand dollars estimated for a new wing to the refreshment pavilion was struck out and deducted from the item for repairs to the west side of the Centre Island wharf, to provide for the cost of the new wing. Ald. McBride made a vigorous protest on the item of \$600 for Island Constable Ward's Island, for two coats of paint. He had never seen the constable dressed in any way to show his authority. He would not give him the light of day for two or three years. The constable needed someone to tell him his duties, so that he would stop games on Sunday and be of some use.

The park commissioner will see that the duties are looked after. The increase of \$250 voted Park Commissioner Chambers by the parks committee was endorsed by the council.

**Water Revenue.**

The city treasurer's returns for water for the last quarter of 1904 show a total of \$39,457.84, an increase of \$2,454.82 over the corresponding period of 1903. These rates are payable without penalties for a month after the due date.

**PUBLIC AMUSEMENTS.**

"Pretty Peggy," the remarkable New York dramatic success, in which Jane Carrigan, supported by Andrew Robson and a large metropolitan company, will be seen at the Grand Opera House, commencing Monday. The play is one of the most notable attractions of the season. Frances Aymar Mathews, the author, was prior to its production at the Herald Square Theatre in New York, known to the public only as a writer of short stories and a novelist. The marked favor with which the piece was received by the critics, coupled with the fact of the success of the Herald Square Theatre, has placed Miss Mathews in an enviable position among American recognized playwrights.

**VARICOCELE**

**TREATED FREE UNTIL CURED**

Varicocele is a serious danger—often than typhoid fever and smallpox. Thousands of men have it and are ignorant of the harm which may result. They only know that something is draining vitality and ambition from their bodies and brains, and know of no reason to account for it. This terrible affliction is the most treacherous, silent and certain in its work, of all known ailments. It comes on without apparent cause and never ceases in its destructive influence until it robs a man of all his vitality and leaves him a physical and mental wreck. There are many ways of treating, but none so sure of a permanent cure as Electric. For nearly forty years I have made this disease along with all its debility, men are subject to my special study, and my success has been such that I offer every sufferer absolute
