WILLIE TRIES HIS LATEST INVENTION ON FIDO

DEAR TOMMY: We're having a fine time up in the mountains. Johnny Jones is here, too. Last week I invented a new kind of a parachute. Johnny and I took it up on the bluff to try it. We sent Fido down on it, and he landed on top of Mr. Jones, who was out fishing with Papa. My, what a scolding we got! Yours, etc., WILLIE
