Dear Sir:

Re: Stony Indian Reserve, Morley
Coppock and Crawford Ranches.

I do not appear to have received any acknowledgment of my letter of November 27th enclosing official receipt of the Provincial Department of Municipal Affairs and my account in connection with the negotiations and agreements and transfers to the Crown of the lands and chattels involved in the Crawford and Coppock ranches.

I have been in touch with Mr. Hannah, Solicitor for the Mitford Company on a number of occasions since but as yet he has not received any definite instructions from this Company with respect to the granting of a long term lease of its holdings to the Department. As will appear from my previous reports, this lease was on a calendar year to year basis and I shall continue to follow this up with a view to negotiating a satisfactory arrangement with this Company.

Yours faithfully,

M. J. EDWARDS.
