AND

Blank Book Manufacturer,
ST. NICHOLAS STREET,
MONTREAL.

THE undersigned has greatly enlarged and otherwise improved his premises, which he has adapted, in every respect, for carrying on an extensive Book and Job Printing and Blank Book Manufacturing Business. The Compositors' Rooms are well stocked with a large variety of Plain and Fancy Types, embracing the newest designs. The Establishment is furnished with twelve Steam Printing Presses, nine Steam Smashing, Sawing, Cutting, Stamping and Hoisting Machines, six Hydraulic and Hand Presses, together with Ruling, Backing and Paging Machines, all in thorough working order, which enables him to turn out large quantities of work at very short notice. Over 150 persons are employed in this Establishment.

Country Orders for **PRINTING** and **BLANK BOOKS** carefully attended to, and work despatched by the safest and cheapest modes of conveyance.

LOVELL'S SERIES OF SCHOOL BOOKS.

THE Undersigned, having long felt that it would be highly desirable to have a **SERIES OF EDUCATIONAL WORKS**, *Prepared and Written in the Dominion*, and adapted for the purposes of Education, begs to call attention to the Text Books with which he has already commenced this Series. These works have met with a very general welcome throughout the British Provinces. The Publisher feels confident that the eulogiums bestowed upon them are fully merited, as considerable talent and care have been enlisted in their preparation.

A **SILVER MEDAL** was awarded to **LOVELL'S SERIES OF SCHOOL BOOKS**, at the Grand Industrial Exhibition held at Montreal in honor of the visit of His Royal Highness the **PRINCE OF WALES**. A **MEDAL** and **DIPLOMA** was awarded at the Dublin Exhibition in 1865.
