Discolored or Spotty Skin Easily Peeled Off

The freckling, discolored or roughening to which most skins are subject this season, may readily be gotten rid of. Maccolled water, applied lightly over the face before retiring and removed in the morning with dry cotton wool, will peel off the discolored skin, get an ounce of the water, apply it to the face, and in a few minutes you will see the new, smooth, girlishly beautiful face.

Wrinkles caused by weather, worry or illness, are best treated by a simple solution of powdered salicylic acid, one ounce, dissolved in one-half pint witch hazel. Rubbing the face in this produces a truly marvellous transformation.

AMERICAN SAILING VESSELS ON LATEST BRITISH BLACK LIST

London, Aug. 4—The latest blacklist of neutral shipping issued today by the trades division of the admiralty, represents 103,600 tons of steamers and sailing vessels unavailable to British charterers, on the claim that they are now or have been engaged in unneutral service.

The latest list contains, in addition to that list of names published previously, the names of the following ships flying the American flag: Clara Davis, Fannie Palmer and Oakley C. Curtis, all sailing vessels.

These American ships have been removed from the blacklist since its last publication: Steamer Seneca and sailing ship Edgar W. Murdoch. Wagner liners which have been captured by the British and are now in the service of the government while awaiting a decision of their status by a supreme court, appear on the list without any indication of their nationality, while the other Wagner boats appear as American.

A large number of ships on the list are bracketed under a caption stating that they have temporarily been removed from the blacklist while under charter to Entente Allied or innocent neutral interests.

Unlike the statutory blacklist of neutral traders, the shipping blacklist never has officially been made public.

HALIFAX LADY BARRISTERS

Two young ladies, Miss McInnes, daughter of Hector McInnes, K. C., and Miss MacKenzie, of Cape Breton, are now regularly articulated to the law firm McInnes, Mellish, Fulton & Kenny, Halifax, with a view of taking up the profession. These are the first articulated lady law students in Halifax and it is expected the Barristers' Act will be amended to permit of the admission of ladies to practice at the bar.

GOOD DIGESTION A SOURCE OF HEALTH

When the Stomach is Out of Order the Whole System Suffers

Indigestion is one of the most distressing maladies afflicting mankind. When the stomach is unable to perform the work nature calls for, the result is severe pains after eating, nausea, heartburn, fluttering of the heart, sick headache, and often a loathing for food, though the sufferer is really half-starved. People with poor digestion, too, frequently try all sorts of experiments to aid the process of digestion, but there is only one way in which the trouble can actually be cured, that is through the blood. That is why the tonic treatment with Dr. Williams' Pink Pills cures even the most obstinate cases of indigestion. They make rich, red blood that strengthens the stomach and the nerves, thus enabling it to do its work. The process is simple, but the result means pleasure in life. In proof of these statements, Mrs. Albert Hall, Sons, Ont., says: "I have used Dr. Williams' Pink Pills with wonderful results. For two years I was a great sufferer from indigestion, which almost made me a physical wreck. At times my sufferings were so great that I was unable to attend to my household duties. I had another spell at times and was afraid to lie down to rest. After every meal, no matter how sparingly I ate, I suffered great distress. I tried several doctors but their medicine was of no avail. I saw Dr. Williams' Pink Pills advertised to cure this trouble and decided to try them. I had not been taking them long when I felt somewhat improved. This improvement continued and after taking ten boxes I could eat and digest all kinds of food and felt better than I had done for years. You may be sure I am very grateful for the wonderful relief these pills have given me. I know they are also a cure for anemic sufferers, as an intimate friend of mine was badly affected with this trouble and after taking several boxes she was entirely cured."

You can get these pills through any dealer in medicine or by mail, post paid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

OUTSTANDING QUESTIONS SETTLED BY LATEST RUSSO-JAPANESE TREATY

London, Aug. 6—Reuter's Telegraph Company today states that it learns that after the conclusion of the recent Russo-Japanese convention a separate agreement was reached under which Russia sells to Japan the southern half of the Harbin-Chang Chun railway, and recognizes Japan's rights on the Sungari river between Kikin and Futuma, thus settling a question pending since the signing of the Portsmouth treaty.

New Divisions

London, Aug. 4—(Montreal Gazette Cable)—An important statement regarding Canada's military assistance was given today when, addressing the officers after the review at Shorncliffe, the minister of militia, Major-General the Hon. Sir Sam Hughes, announced that subject to the war office's sanction, two or three further Canadian divisions would be formed.

As the cost of training was no more in France or England than in Canada, there was no reason why troops should not come over as soon as possible, said Sir Sam.
