The Halifax office was established in 1903 and reports have been received there regarding the change. Edward Angeles, acting consult there, it is understood, will be transferred to Ottawa. Mr. Angeles, according to a despatch, said he had received numerous protests over the change, including representations from the Board of Trade and Mayor, all of which he had forwarded to his government.

OFFICE RE-ORGANIZED.

Since taking over the Saint John office here, Mr. Betancourt has thoroughly re-organized it and now has a suite of rooms at 72 1-2 Prince William street, having moved from Charlotte street. He predicts the volume of trade between the two countries will increase enormously this year and that Saint John will feel the effect of this extra business. Quite recently the Chamber of Commerce messaging deed.
