**DR. CALDWELL'S LAXATIVE
SYRUP PEPSIN**
Gives is Nature's Own

Ladies! This Beats Cosmetics

GOOD health cannot be camouflaged by powder and rouge. The eyes will tell. That sparkle and clearness that denote good health will not be there if you are constipated. Miss H. Ridley, 110 Summerhill Av., Toronto, writes that Dr. Caldwell's Laxative Syrup Pepsin has helped her very much and Mrs. Ingram, Box No. 26, Tyvan, Sask., says it does what no other medicine has ever done for her.

On Sale for 30 Years

Intelligent women are realizing that health and more outward complexion are two different things, and more and more are taking Dr. Caldwell's Laxative Syrup Pepsin. Over 10 million bottles were bought in drug stores last year, the largest selling liquid laxative in the world. Go to your druggist and buy a bottle. The cost is less than a cent a dose. You will see how much more effective a spoonful of Laxative Syrup Pepsin is than tablets, powders or pills, and without shock to the system.

Safe Family Laxative
Use it regularly a day before and a day after the periods. The gentle emptying of the bowels will give you relief, and lessen headaches and congestion. Take a spoonful at bedtime and see how much better you feel in the morning. It is a vegetable compound of Egyptian senna and pepsin with agreeable aromatics, and entirely safe not only for you, but for the youngest child. Keep a bottle of Dr. Caldwell's Laxative Syrup Pepsin constantly in the home for you or some other member of the family may need it any moment to relieve constipation, to break up fevers and colds, to clear up biliousness, indigestion, a pimple, a fever sore and other disturbances that show constipation.
