

CONFIDENCE

With the first man to trust his fellow man civilization started. With the increase of natural trust and confidence among men, civilization has progressed; with the decrease, it has slipped back—that is history. And this fact from the record of mankind has shaped the Marr policy—will shape its destiny.

No matter whether you buy for yourself or for someone else, a great portion of the satisfaction and pride in possession comes from confidence—confidence in your store—in its policies, its merchandise, its reputation, its publicity. The patrons of the Marr Millinery Co. Limited have acquired this confidence—based on sixty-two years of faithful service and unflinching adherence to high ideals.

Since 1860 the Marr label has been emblematic of but one quality—the best; but one style—the latest; but one type of workmanship—the highest. It is the Marr label in your hat that gives assurance of lasting satisfaction.

We know that our greatest asset is the preservation of the confidence St. John has seen fit to place in the Marr Millinery Store.

COMPENSATION BOARD CASE.

Before Chief Justice Sir Douglas Hazen this morning in Supreme Court chambers, argument was heard in connection with the matter of an application for a stay of proceedings in the assessment of the Bathurst Lumber Co. by the Workmen's Compensation Board. This arises from the 1922 assessment, which amounts to some \$30,000. Judgment was obtained against the company for the 1921 assessment after the case had gone through the courts. When the board passed the 1922 assessment against the company an application for a stay of proceedings was made before and granted by Chief Justice Hazen and argument today was on the continuance or otherwise of the stay. Dr. W. B. Wallace, K. C., appeared for the board and M. G. Teed, K. C., and G. Gilbert, K. C., for the company.

A NOVEMBER BUTTERFLY.

Among the visitors to the Times office this morning were two happy and healthy kiddies, a boy and a girl, carrying with them in a paper bag a well guarded treasure, news of the discovery of which they wished to share with everybody. It was a very pretty, alive and able to walk, although apparently much chafed by a long exposure on a cold day to fly about. With much pride the boy opened the bag and carefully took out the winged treasure, placing it on a reporter's desk, where it folded and unfolded its wings and walked about in a perfectly contented way. The butterfly was prettily colored with dark brown wings spotted with lighter brown and yellow. It was found by J. H. Walker of Little River, yesterday afternoon on the roof of his barn. The young lad carefully replaced the pretty creature in the bag and carried it away to be kept as long as it could survive the cold weather.

TEAMS WILL NOT COMPETE AGAIN

U. N. B. Football Players Return from Amherst—Title Not to be Awarded.

Fredrickton, N. B., Nov. 13.—U. N. B.'s football team returned this morning from Amherst. There was no official reception, due, it was said, to there being no suspension of lectures. It was said there was no possibility of a play-off with Dalhousie and that the intercollegiate title would not be awarded to either team. The Halifax Herald's trophy would not be officially in possession of any team for this year's play. Financial considerations, it was said, would prevent U. N. B. from engaging in a play-off with Dalhousie. It is said it would mean almost \$200 to send the team away for another title game.

It appears that Dalhousie would have won the title had it not been for the fact, and U. N. B. gave as their reason today for not proceeding with play that they were not in possession of the "breaks" by Referee Allan and they did not think it advisable to continue. On the other hand, the referees all seemed to agree that some luck for either side at critical junctures would have resulted in a score for the attackers. U. N. B., they said, should have scored in the first half, but were lucky to hold Dalhousie in the second, especially towards the end.

NEW REGULATIONS RELATIVE TO BOXING MEETS

A. W. Covey, President of the Maritime Branch of the A. A. U. of C., arrived home from Halifax Saturday afternoon. With regard to an executive meeting there, he said matters pertaining to boxing and boxing meets were discussed. It was decided that in future no sanction would be given to any club to hold a meet unless they had a sanction from within ten days of the date of the meet. In addition any club receiving a sanction must file within ten days a statement as to their receipts and expenditures.

Speaking of Charlie Gorman's disqualification in the 100 yards, Mr. Covey said he had not been disqualified for taking an opponent's territory and not for fouling anyone. He explained that the rink was small and that Gorman had difficulty negotiating the corners.

DRIVEN OUT OF HOME BY FIRE IN EARLY MORN

Three families, clad only in their night clothes, were driven out of their homes at 3:30 o'clock this morning when fire which broke out in a garage in Millidge Avenue, beyond the Millidge Hotel, spread to a three story wooden dwelling house owned by Harry L. Heustice, City Marshal, B. Evans, his grocer of Millidge Avenue and Mayes Smith. The roof of the house was badly damaged while the tenants, who occupied the house, were forced to flee to their homes. The fire started from an unknown source in the garage, which was situated about twenty feet from the dwelling. The garage, which was completely destroyed, was owned by Mr. Heustice, but he fortunately did not have his car housed there last evening. A motor truck owned by Mr. Francis, who occupied the half of the garage was completely demolished. There was no insurance on the car while it is understood some insurance was carried on the garage.

Sparks caught on the Anderson house and were spreading in the high wind with great rapidity. With the arrival of the apparatus the occupants were aroused. The firemen worked hard and were successful in checking the blaze, confining the fire to the roof. It is understood the house was insured.

With the Bowlers.

On the Y. M. C. I. Alleys Frank Smith won a box of cigars for last week's prize by shooting the high score of 141 on Saturday evening. Tonight the Knights of Columbus will open their league season on these alleys.

In the Manufacturers' Bowling League on Saturday evening the Workmen's Compensation Board team took four points from the Modern Business College quintette. Sinclair led the winners with an average of 96 1-3 and had the highest single string, 112. The scores followed:

ACCIDENTALLY SHOT IN THE WOODS; IS DEAD

Ottawa, Nov. 13.—Victor Phillips, of Sarsfield, died in a hospital here on Saturday night from wounds received when accidentally shot while hunting at Stonecliffe on Wednesday morning.

SIGNS OF GOOD SIZED VOTE IN ELECTION TODAY

Indications at the time of going to press were that a fairly heavy vote was being polled today in the majority election. The day was clear but with a raw, biting wind. Party workers were active and a large number of automobiles were in use conveying voters to and from the polls. The polling booths were visited by the two candidates this morning and about noon they met in Wellington ward at the booth in the shop of J. A. Gibbs, 23 1/2 Waterloo street, and greeted the workers. While some sections of the city reported heavy polling, from other parts came word that the voting was light. It was thought probable on the whole that the size of the vote polled would average well with past elections.

Edward Henry Cody, who was arrested late one night recently on charge of wandering about and not giving a satisfactory account of himself, is still in jail. Sergeant Detective Power said today that a telegram had been sent to the chief of police in Charlottetown from whence the man came, telling of his presence here and asking that someone be sent here to look after him. Cody had about \$400 in bonds and a like amount in cash on his person. He is being held in the meantime.

WAS BOY IN THE CASE?

With regard to a published story that two men had held up a woman storekeeper in Prince Edward street on Saturday evening and escaped with the contents of the cash register, Sergeant Detective Power said this afternoon that the information was incorrect and misleading. He said that on Saturday afternoon about five o'clock a boy had entered the store of Mrs. E. J. Pyne, 269 Prince Edward street. There had been a small wooden box on the shelf back of the counter used as a cash box and containing at the time about \$4. It had been there when the boy came in but was missed a short time after he left. The detective department is working on the case.
