ROYAL OAK
TOUGHER THAN OAK
TIRES NON-SKID
FABRICS OR CORDS BUILT BY EXPERTS
DESIGNED WITH SKILL
All materials used in Royal Oak Tires are selected with utmost care, and only the highest grade of everything is used.
The fabric used in the carcass is 17 ounce Sea Island Duck, and is the best money can buy.
The tread has as much pure rubber as it is possible to put into the tread of any tire. The tire, as regards appearance, and service in miles, is equal to any and surpassed by none.
The quality, good service and non-skid efficiency of Royal Oak Tires meet the requirements of the most exacting motorists. These tires are guaranteed against defects in material and workmanship for 6,000 miles. The same high quality materials and scrupulous care go into the making of Royal Oak Cord Tires.

LOCAL NEWS
READY FOR THE CAMP SEASON

REPORT ON MONDAY.
The evidence is complete in the matter of the street railway dispute and the board of conciliation will meet on Monday afternoon to draw up a report to be submitted to the minister of labor. The session will be a private one and the findings of the board will not be made public until the report has been approved by the minister.

MONDAY LAST DAY.
It was announced at city hall this morning that unless drivers of motor trucks and cars requiring licenses took out their permits before Monday, they would be reported and prosecuted. It is understood that many of the owners delayed securing licenses to wait the result of an appeal to the mayor to reduce the license fee. The mayor has informed them that it will be impossible to reduce the fee this year and the matter will have to be taken up next year.

SAYS BOY DID FALL IN.
The press had a story a few days ago to the effect that a boy reported that another boy had fallen into one of the slips on the harbor front and that no trace could be found. It was assumed that the boy who told the story had a vivid imagination. His mother telephoned the Times yesterday that she was reliably informed that her boy did fall into the water, but that after her boy went to spread the alarm he was able to pull himself out and go home.

CAR IN TROUBLE.
This morning about eight o'clock a large touring car got into difficulties at Haymarket Square, where the city is carrying out paving operations. The track section near the foot of Waterloo street is torn up and a temporary plank crossing is laid to direct traffic. The car was coming from the direction of the Marsh bridge, but instead of taking the crossing the driver ran through the planks some distance to the right and crashed into the excavated portion. The car was considerably damaged.

PRESENTATION.
About forty friends of Miss Olive Murray, daughter of Mr. and Mrs. William Murray, 18 St. James street, tendered her a surprise party last evening at the home of her aunt, Mrs. Bella Murray, 206 Sydney street, in honor of her eighteenth birthday. She was the recipient of a large number of presents, among which was a club bag. The presentation was made by Ready Alward, and Miss Murray returned thanks to all present. Games and dancing were enjoyed and refreshments served.

LOCAL DOG WINS HONOR.
An English setter, Count May Fly, bred and owned by Gerald McCarthy of this city, won ribbons at the recent Kennel Club show held in Montreal on June 14. He was awarded first in the limit class, first in the open class; winners for best male, and best prize for the best of his breed at the show. In the Quebec Kennel Club show held at Quebec on June 16 he was awarded first in the Canadian bred class, first in the limit class, first in the open class winners prize for the best male.

BRIDE-TO-BE ENTERTAINED.
The B. & L. Club were pleasantly entertained at six tables of bridge last evening by Mr. and Mrs. W. B. Healey, who were in honor of Miss Frances Archer, whose wedding is to take place at 4 o'clock on Saturday. The president of the club, made the guest of honor or the recipient of a beautiful mahogany clock and a silver salver, in addition to best wishes for future happiness. The prize winners at bridge were J. G. Williams and R. Kelly, first prizes; Mr. and Mrs. C. F. Stevens, consolation prizes.

TREAT FOR ORPHANS.
Through Commissioner Thornton's arrangement, the orphans of the city will be guests at the circus which will show here on Monday. Twenty-five children will attend from the Provincial Memorial Home, Wright street, eighty from the Boys' Industrial School, Silver Falls, and sixty from the Protestant Orphan's homes in Britain street and on the West Side. Twenty-five patients from the D. S. C. R. hospital in Lancaster will also be the guests of the management. The boys from Silver Falls will be brought to the city in automobiles furnished by the Automobile Association. It is not expected that the children from St. Vincent's convent will be present, as the Mother Superior is out of the city.

DEATH OF RICHARD H. CALLAGHAN
Popular Stevedore Who Had Saved Two Lives in the Harbor.
Richard H. Callaghan, a well known stevedore, passed away at an early hour this morning in the St. John Infirmary. He had been in poor health since Christmas, but during the last two weeks his condition took a turn for the worse, with death resulting. He was a well known figure around the water front, where he was employed for more than twenty-five years as a stevedore. During that period he was employed by Schofield & Company, The Robert Redford Company, J. T. Knight & Company, George McKean and other shipping interests. All are unanimous in the statement that he was a most reliable man and took a keen interest in his duties, sparing no effort to see that the loading of steamers and sailing vessels was carried out in a satisfactory manner.

He was a native of this city and a son of the late William Callaghan. In his younger days he was one of the best swimmers along the water front and was awarded two medals for life saving. On August 18, 1897, he leaped into the harbor at Reed's Point and saved George Gillespie, an eight year old boy, who had fallen overboard, and in recognition for this brave act Mayor Robertson presented to him a beautiful silver medal suitably engraved. On December 10, 1899, he jumped into the harbor at the ferry slip and saved Bessie F. McSorley from drowning and was later given a bronze medal awarded by the Royal Canadian Humane Society, by Mayor Sears.
Mr. Callaghan was fifty-six years of age, and besides his wife he is survived by three sons, George, who is manager of Robert Cox Lumber Company, Ltd., in Montreal; John, who recently went to Boston, and Edward at home; also three sisters, Mrs. G. Dooly of Boston, Mrs. John Abour of Buffalo, and Mrs. Frank Furlong of this city.
He was a man highly respected by all who had business connections with him or who had the pleasure of his acquaintance, and their heart felt sympathy will be extended to his bereaved family.

NEVER SAW A BETTER PIPE
Halifax Engineer Speaks
Highly of Work on New Spruce Lake Water Main.
C. E. W. Ordwell, dominion public works department engineer, of Halifax, was in the city yesterday. Accompanied by G. G. Hare, city engineer, he paid a visit of inspection to the scene of construction on the new main from Spruce Lake. Mr. Ordwell was very much impressed with the work being carried on out there and said that he never saw better pipe or better concrete. He was particularly pleased with the whole job and spoke highly of the methods used by the contractors, the Canada Lock Joint Pipe Co., which under the management of a local man, C. J. Bruce.

PARTRIDGE ISLAND WIRELESS STATION WILL BE CLOSED
A memorandum has been issued by the department of marine and fisheries advising that the radio telegraph station on Partridge Island will be closed on July 1. Commercial traffic will be dealt with after that date by the direction finding station at Fied Head. The commercial messages will be received at a radius of 600 metres, the direction finding business to remain at 800 metres, after communication has been established first at 600 metres.

Individuality Without Added Cost
Every piece of furniture—every article of home furnishing that enters this store bespeaks careful, painstaking, personal selection, backed by sound judgment and specialized knowledge in appraising artistic worth and intrinsic value.
The commonplace finds no place here. Constant diligence in searching for the distinctive is rewarded by the repeated assurance that our display of home furnishings is equalled in but few institutions in Eastern Canada.
Our stocks are made up of pieces picked up here and there for their individual worth and not bought in vast quantities at a consequent sacrifice of individuality.
The masterpieces in home furnishings and the friendly welcome which always greets the visitor here have made Everett's a home furnishing institution of more than ordinary interest.
Feel free to come here for home furnishing suggestions regardless of your intent to buy.
