INSTRUCTIVE AND PLEASANT

The Epworth League Reading Club of Queen Square Methodist church met last evening at the home of Mr. and Mrs. A. B. Gilmour. About fifty were present. A programme was given, under the able leadership of Rev. W. F. Gaetz, on Representative Men of England, Germany and France. Excellent papers on Gladstone, Bismarck and Napoleon Bonaparte were read. The National Anthem of each of those countries was sung and there were other musical items comprising a very interesting programme. Refreshments were served by the hostess. The next meeting will be at the home of Mrs. F. E. Williams, Germain street.

HEAVY ICE

The strait steamship service between P. E. Island and the mainland has been retarded for the last few days by the heavy ice. Yesterday the steamer Earl Grey left Pictou, but after a few hours struggling in the ice, put back to port, and the Minto did the same on her trip from Georgetown. Each was to try the passage again today.

The British trans-atlantic steamship lines are not parties to the newly formed North Atlantic steamship association.

COMMITTEES OF

ANGLICAN SYNOD

Close of Important Series of Meetings—Rev. A. W. Teed Commended—Plans For Mission

A very successful and interesting series of quarterly meetings of the boards and committees of the Anglican Synod was concluded yesterday afternoon with the meeting of the synod executive committee. Among the out-of-town members in attendance were Bishop Richardson, Dean Schofield and Canon Smithers of Fredericton; Archdeacon Forsyth of Chatham; Archdeacon Newnam of St. Stephens; Canon Neale of Sussex; Rev. Canon Hanington of Norton; Rev. A. W. Daniel, B. C. Boyd, J. H. Fairweather of Rotsey; Rev. M. C. Sheven Kingslear; Rev. W. J. Wilkinson, Springfield; Rev. G. C. Lawrence, Kingston; Rev. G. E. Tobin, Campbellton; Rev. C. H. Fullerton, Prince William; Rev. A. S. Hazel, Woodstock; Rev. F. J. Leroy, St. Martins.

The committee passed a resolution of appreciation of the faith of the work of Rev. A. W. Teed, M.A., who has for 26 years been the active and efficient rector of Richmond, Carleton county, and for some years a valuable member of the synod executive. In the resolution, Mr. Teed was congratulated upon his advancement to a position of great usefulness at King's College, Windsor, and good wishes extended to him in his new sphere of labor. On the motion of Archdeacon Raymond, the Rev. R. P. McKim was elected a member of the executive committee in the place of Rev. Mr. Teed.

Archdeacon Newnam presented a report from the Board of Missions, showing a balance of \$1,988.88 on hand, over expenditure for the year 1913. This balance is chiefly due to the care and pains displayed by the board of finance in securing higher income from the invested funds of the synod. The board was complimented by Bishop Richardson upon its able and efficient management of the funds. Through the added income the treasurer had been able to pay in full the accumulated deficit of several years and to start the new year with a balance of \$480 in hand.

The contributions for Canadian and foreign missions for 1913 amounted to \$4,898.81. A missionary campaign has been arranged for the city of St. John beginning this month. There have been secured for the campaign, in addition to the bishop and other speakers from different parts of this province, Dr. Archer of India; R. W. Allen, of the M. S. C. staff, Toronto, and D. M. Rose, general secretary of the Laymen's Missionary Movement.

In connection with the missionary work for the evangelization of the Jews, it was decided to give more support than had been done in the past to the work lately undertaken in Canada at Montreal and elsewhere, and the bishop was requested to write to the clergy respecting the disposal of Good Friday collections which are devoted to the promotion of Christianity among the Jews.

The bishop reported that Rev. C. K. Whalley had moved from the parish of Burton to Halifax, N. S., and that Rev. F. J. Wilson had been placed in charge of the parish. Rev. J. D. Doune had been appointed to Southampton, and Queensbury, and Rev. Wm. Tomlin to Trinity church in St. Stephens. A grant of \$100.00 was made to the parish of St. Simons. Rev. Canon Smithers reported that the parish of Harlowe had shown a marked improvement in offering to become self-supporting on the \$900 basis of stipend, thereby releasing \$275 to the mission board for work elsewhere.

The report of the Board of Church Literature referred to the probable removal of the book room to the new Church Institute building in Kingston street, and recommended that if possible arrangements suitable to its accommodation be made in any reconstruction of the building.

Spoke warmly of the appreciation of the church, of the generosity of a St. John layman in presenting the building to the Church Institute for its use, and of the modicum of thanks was unanimously passed by the executive committee to the generous donor of the building.

Understood that the price paid in the vicinity of \$10,000.

Subscriptions amounting to nearly \$2,000 have been received for the building needed alterations in the building as a home for the Church Institute.

Archdeacon Raymond from the committee on statistics and state of the church, presented a very interesting report embodying the returns of the recent meeting of the Fruit Growers' Association this morning on "Some New Varieties of Apples." He spoke of tests made at the Central Experimental Farm, and said that ninety new varieties had been selected, some of which would be sent to the Experimental Farm. He also said that a force of experts would be sent out from the Experimental Farm next year to give demonstrations in spraying.

S. B. Hatheway said that ninety per cent of vinegar cider and dried apples now used in this province are imported from Ontario and Nova Scotia, and suggested that the government devote some attention to the question of keeping this trade at home.

The thermometer registered sixteen below here last night.

Roy C. Sharpe, the nine year old son of David Sharpe, died suddenly last night from an attack of croup.

Parcel Post Promised For First of Year, Not To Be In Operation Till Spring
