TAFT DOLL RIVAL OF THE TEDDY BEAR

TAFT DOLL

New York, Oct. 24.—The Taft doll has arrived as a rival of the Teddy bear. The doll is a political figure, though not a suffragette. She is clothed in American-made goods, and her sponsor says she is wearing such goods as the wife of the average American man should wear. Her entire outfit, from lace-trimmed lingerie to velvet hat and white kid gloves, could be made for a woman of average size for less than \$25. The original of the doll is on exhibition at the rooms of the Republican national committee, but it is expected that duplicates will soon be found everywhere.
