YOUR MANLY STRENGTH "NATURE" BOOK FREE

Every man is entitled to be perfectly strong, vigorous and capable, just as nature intended he should, and if through the medium of my book I can show you how you yourself may become as vital, manly and forceful as the best man of your acquaintance, then I have merely given you a clear understanding of what nature herself is constantly endeavoring to tell and show you.

As to my vitalizer, it may or may not be necessary in your own case, but if you want to use it after reading the description, I will gladly make some liberal proposition so you may get one to try. This vitalizer, weighing only several ounces, is worn all night. It generates a soft, easy flowing FORCE which I call vitality. This FORCE enters your system at the small of the back, flowing thence through the kidneys, liver, stomach, bladder and organs, and diffusing itself to every part of the body. Over 200,000 Sanden vitalizers are now in use or have recently been used. It keeps up its gentle action while you sleep. Men everywhere have said it makes them feel better and stronger almost at once, that it often takes pain out of the back in a few hours, and 60 to 90 days' time is sufficient to restore normal vigor. With special attachments my vitalizer is used by women as well as men for rheumatism, kidney, liver, stomach, bladder disorders, etc.

If you live in or near this city, would be pleased to have you call. Hours, 9 to 6.

However, whether or not you ever use the vitalizer, at least you want the free book, so kindly fill in the coupon and the book will go to you, sealed, by return mail.
