

## WELL KNOWN BOXER SHOT AND KILLED

Bill Brennan, Prominent Heavyweight, Murdered in Cabaret Fight.

New York, June 15.—William (Bill) Brennan, prominent heavyweight boxer, was shot and killed today in the Tia Juana cabaret, of which he was the proprietor. James Cullen, a state trooper, was shot in the neck as he ran to Brennan's rescue.

James Hughes and Frank Rasi, believed to be two of a band of five who committed the killing, are under arrest.

Brennan was chatting with friends when Hughes, who is described as an unkempt individual with a prison record, asked the pugilist to step outside for a moment. Shots were heard almost immediately afterwards.

Brennan's sister, known on the stage as Shirley Sherman told the police she ran outside and saw five men, all of whom ran away when she appeared. She seized Hughes by the arm as she screamed for help. Hughes however, threw her to the floor. A bullet halted Cullen who was close behind the girl. He staggered back into the cabaret and fell unconscious.

Hughes and Rasi became separated from their companions, and turned up a corridor, the door of which was closed. Breaking the glass of the door with the butts of their pistols they walked into the arms of police lieutenant John Hagarty. They beat Hagarty into unconsciousness, commanded a taxi-cab and fled. Two policemen, attracted by the firing took up the chase in another taxi and captured the pair after a breakneck drive. Both have served terms in prison, the police said.

The band, according to the police, are members of a "hell's kitchen" gang who have apparently borne a grudge starting his professional career in 1914. Brennan engaged in 191 ring battles, score books revealed. He gained the sobriquet of "knockout Bill" by flattening his opponents in 65 of these contests.

The only men who knocked him out were Dempsey, Firpo and Mike, but he lost decisions to Johnson, Harry Greb, Mike and Battling Levinsky.

Brennan was born in County Mayo, Ireland, thirty-one years ago. New York, June 16.—(United Press) The official organ of the American petitors out of the business. A

## Texas High School Boy Is One-Man Track Team

Wichita Falls, Tex., June 16.—Leo Baldwin, 18-year-old student of Wichita Falls High School, created one of the most unusual records in the history of athletics at the recent Texas State Interscholastic League track and field championship.

Baldwin won for his school the state track and field championship, scoring 23 points—more than any other team entered in the Texas meet.

The big blond-haired, raw-boned Wichita Falls star was the only athlete representing his school to place in a single event, yet he piled up enough points to bring the title to this city.

Veteran officials at such events declare that his record is one of the greatest ever made by a scholastic or collegiate athlete.

In winning the championship, Baldwin captured four first places. In the high jump he went out of the scholastic class and broke the Southwestern Collegiate Conference record with a mark of 6 feet 1 inch.

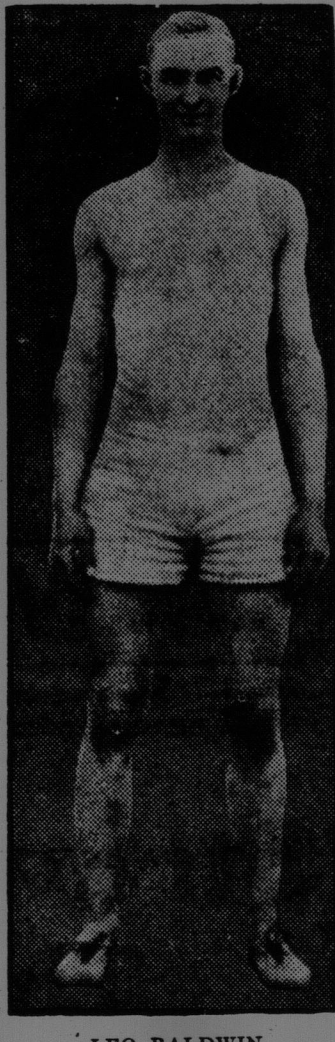

Here are the events Baldwin won: 120-yard high hurdles; time 15 seconds; breaking previous Texas high school record of 16 seconds.

220-yard low hurdles; time 26.3-5 inches; breaking previous Texas high school record of 45 feet 11 inches. Shot-put; distance 47 feet 9-12 seconds.

High jump; height 6 feet 1 inch; breaking Southwestern college record of 6 feet and Texas high school mark of 5 feet 10-7-8 inches.

Baldwin also won second place in the discus throw, his mark being 126-1-2 feet. The sensational Texas is unusually husky to be so feet of foot. He is 5 feet 11-2 inches in height and weighs 178 pounds.

He has two more years in Wichita Falls High, after which he plans to attend Texas A. & M. College. Inedict One Col Cut.

LEO BALDWIN

## COOMBS HURT; OUT OF GAME FOR WEEKS

Yankees Suffer Heavy Loss With Sensational Re-cruit Injured.

New York, June 16.—The first test yesterday of strength between the Yankees and the rising Indians resulted in an easy victory for Speaker's team, which drove Shawkey from the box and won 10 to 3. The Yankees suffered heavily in the loss of Earl Coombs, sensational Louisville recruit, who was carried from the field with a dislocated ankle, which will keep him out of the games for weeks.

Detroit made a savage attack on three Red Sox pitchers for 21 hits and a 10 to 4 victory.

Chicago's advance carried the team into the first division and forced Washington to fifth place, as the White Sox beat the Senator 6 to 4. The Browns and Athletics slugged at each other for ten innings before St. Louis won a 9-8 decision.

The Giants broke again and took first place in the National by beating Cincinnati 4 to 1, driving Carl Mays from the box. Brooklyn defeated St. Louis 4 to 3.

Chicago, Pittsburgh, Boston and Philadelphia were not scheduled. K—Take in Scores—kkfUm2

## GOOD WITNESS

Imogene Wilhoen, "Broadway's most beautiful," in an interesting pose on the witness stand where she dramatically declared that "Frank Timney dragged her all over the floor."

According to her story there was a face that dodged a dozen fates for, said the famous Follies beauty, she attempted to keep her beauty from being damaged, although her body suffered from kicks and blows.

## \$40,000 LOST IN MONCTON BLAZE

Warehouses of T. And A. Leger and Fuller Brush Co. Destroyed

Moncton, June 15.—Fire that caused a property loss of about \$40,000 broke out about five o'clock this morning in T. and A. Leger's warehouse in Me- chue street and spread to the adjoining building occupied by the Fuller Brush Company. The buildings are owned by John H. Marks. That occurred on Sunday.

## Everywhere! British Consols

## Eliminating internal heat

OBSTACLES hit by the wheels of your car as it rolls along the road are just so many blows struck on your tires.

These blows have the weight of your car—plus speed.

The tread receives the blows and wears down in time. But it is the interior construction of the tire casing which receives the strain of each blow.

If the cords in the interior of your tire do not lie perfectly flat and straight, even and insulated from one another, uniformity of strain-resistance is impossible and friction and internal heat are caused by every blow.

Uniformity of strain resistance and elimination of heat have been achieved by our new Web Cord method of building Dominion Cord Tires.

Sprayed Rubber increases the durability and resilience of the walls and treads of Dominion Cord Tires.

These new and exclusive improvements in Dominion Royal Cord and U-cord Tires add to your mileage—to your tire values—without adding to your cost.

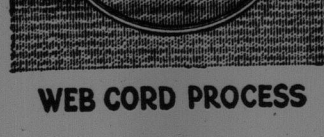

## Dominion Tires

are GOOD tires  
Royal Cords — U-cords

## OLD METHOD

## WEB CORD PROCESS

## The new Web Cord process

—unites the cords by saturating them in latex, the natural sap of the rubber tree, thus forming a web of pure rubber, insulating each cord from the other, eliminating cross threads which cause internal friction and destructive heat. Web Cords lie flat and even and take all strains with perfect uniformity.

The Web Cord process is used exclusively in Canada for building Dominion Royal Cord and U-cord Tires.

Sprayed Rubber —is the natural, pure rubber extracted, by evaporation, direct from the latex or rubber tree sap, thus eliminating the use of smoke, coagulating acids or other processes used in preserving crude rubber.

By the Sprayed Rubber process, the finest and purest rubber and therefore the strongest and most elastic is obtained. Sprayed Rubber is used exclusively in Canada for the walls and treads of Dominion Royal Cord and U-cord Tires.

DOMINION RUBBER
