To the Electors of the County of Charlotte.

GENTLEMEN.—I have been induced by many considerations, to present myself for election to the local Legislature, as one of the Rep- resentatives of this County.

I have resided for 25 years in the County, and am not unknown to you even in a public capacity, and I do not wish it to be understood that my recent connection with the St. Stephen Branch Railroad Company, (as Contractor), in any way iderifies me with that section of the County in particular.

My political policy will be: To maintain the Constitution under the Act of Union.

To use whatever influence the Local Legisla- ture may possess in supporting the Intercolonial Railway by the Export and Import.

To advocate an improved system of Education, in accordance with the well understood wishes of a majority of the people.

As a Farmer, I will of course give my best attention to the advancement of the Agricultural interest.

The FISHERIES will also have my warmest support.

Commerce, Lumbering interests, and other In- dustrial pursuits, will find in me, a strenuous and unflinching advocate.

Should I have the honor to be elected, I will prove myself,

Your faithful and humble servant, NATHAN SNAKE, September 2, 1867.

To the Electors of the County of Charlotte.

GENTLEMEN.—You will doubtless soon be called upon to exercise your prerogative in the selection of two persons to supply the vacan- cies in the representation of this County in the Local Legislature, occasioned by the elevation of Messrs. Stevens and Chandler to the Bench.

From the many solicitations and gratifying assurances of support received from all parts of the County, I am induced to place myself at your disposal.

The altered condition in the political relations of this Province under the act of Union, call loudly for the strictest economy in the man- agement of its fiscal affairs.

The resources of the County left to our own control, if properly directed and developed should add materially to our ability in granting greater encouragement to its industrial and commercial pursuits.

The importance of a thorough revision in the educational system of the Province, is generally acknowledged, and that a more enlarged, liberal, and progressive policy should be adopted.

Should I be honored by your choice, you may rely upon my unremitting exertions being faithfully directed toward the promotion of those ob- jects and your interests generally.

I am, Gentlemen, Your most obedt. servt., WM. T. ROSE, St. Stephen, Sep. 3, 1867.

To the Electors of Charlotte County.

GENTLEMEN.—At the urgent request of a great many of the voters and working men from every part of the County, I am once more induced to offer my services to represent your interests in the Local Legislature. Two members of the County Legislature have been elected, and I am wanted to fill the seats vacated by Messrs. Stevens and Chandler, who have played their game on the political chess board, and won.

New gentlemen, I wish it distinctly understood that I am now, as I have ever been, the Can- didate of the working men. Independent and free from all party tangles or other matters concerning the interests of the working class; and this I shall always do, in spite of the few men in England, who presume to rule the whole County. I am not the nominee of a few design- ing men who wish to push into the field a Can- didate that, if elected will be sure to serve them.

No, Gentlemen, I am the Candidate of the in- dependent working men, who have dared to shake off the shackles that have hitherto bound them, and who dare show the world that they are not cowards, and will not be political slaves. I will, as I have always done, stand by them in all mat- ters of progress and reform, until, like our brethren in England, we gain our objects, POLITICAL EQUALITY. Too long have they set themselves above us, treating us with scorn, except at election times, when they want our votes; then their hypocrisy knows no bounds, but, thank God, we can see through them, and understand their motives.

Then, working men of Charlotte, rally in your strength! Let us stand shoulder to shoulder in this contest, and there will be such a shaking of dry bones amongst those would-be rulers, that they will almost cry for the mountains to fall up on them. Let us teach those few men that the Bank Parlor is not all powerful, although backed up by the law. Let us tell those men at the polls that we have men amongst us who are their equals, if not their superiors, both in ability and brains, though the greenbacks may be wanting, but this want may be supplied by fearless independence on Election day.

With reference to the Intercolonial Railway—the Frontier route will have my warmest support. At the hustings I will explain fully my views on this important matter.

Now, my friends, I would much rather that you would choose from amongst yourselves some in- telligent honest working man, whom you can trust, to represent you, and I will give him my support, for at this season of the year I will not be able to visit you at your different localities. Like your- selves I must attend to my work, but as most of you know me, this should not make much differ- ence, and I will meet you on nomination day at St. Andrews when I hope to have the pleasure of ad- dressing you, and if elected, will serve you fear- lessly, honestly and faithfully to the best of my ability.

Respectfully yours, &c., JOSEPH DONALD, St. Stephen, Sept. 4, 1867.

THE GREAT REMEDY FOR CONSUMPTION,

and acknowledged by many prominent physicians to be the most reliable Preparation ever introduced for the RELIEF and CURE of all LUNG COMPLAINTS.

This well known remedy is offered to the public, an- nounced by the experience of over forty years; and when inhaled in its proper, seldom fails to effect a speedy cure of

Coughs, Colds, Croup, Whooping Cough, Influenza, Whooping Cough, Bronchitis, Hoarseness, Falsetto, Bleeding at the Lungs, Liver Complaints, &c.

The undersigned, "witness that he has obtained the ap- plication of this medicine in all cases of

PULMONARY COMPLAINTS has obtained many physicians of high standing to employ it in their practice, some of whom advise us of the facts over their own signatures. We have space only for the names of a few of these:—

CANNOT BE DISCREDITED. From the name of evidence in our possession we select the following:—

From L. J. RAGINE, Esq., of Le Moyne, Montreal. "Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For some months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. The cough increased alarmingly, and so increased, that I could not walk a few steps without resting to recover from the pain and fatigue which it inflicted on me. At this juncture I commenced taking the Balsam, from which I derived immediate relief, and after having used four bottles I was completely cured. I now use it as a preventive to my family, and I am sure that it will be found to be a valuable remedy in all cases of the kind. It is a preparation which has only to be used to be acknowledged as the remedy par excellence."

A CURE FOR WHOOPING COUGH. St. Hyacinthe, C.E., Aug. 31, 1866. Messrs. RAY, FOWLE & SON, Gentlemen.—Several months since a little daughter of mine, one year of age, was taken with Whooping Cough to a very aggravated form, and nothing was avail- able for her cure, in any way to relieve her suffering, but at length decided to try a bottle of Dr. Wistar's Balsam of Wild Cherry, and in three hours she was com- pletely cured. I have since recommended it to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure. You are at liberty to make any use of the above test, and I shall induce anybody to use your Balsam. I have no gain, and no consideration to be gained, in this matter. Yours, J. RAGINE, Proprietor of the Courier & St. Hyacinthe.

Clergymen, Lawyers, Singers, and all those whose occupation requires an unusual ex- ercise of the vocal organs, will find this the best Remedy which will effectively and instantaneously relieve their difficulties. This Balsam, unlike most others, is ex- tremely PLEASANT TO TASTE.

A small quantity allowed to pass over the inflated part at once removes the difficulty.

BEWARE OF COUNTERFEITS AND IMITATIONS. Remember, they imitate in name only, without pos- sessing the virtues. Buy none unless signed "R. Wistar" on the wrapper.
