SOCIALISTS OF FRANCE WOULD LIGHTEN TERMS PLACED ON GERMANS

Undercurrent of Feeling That Germany Should Not Be Left to too Bitter Reflection

Headaches

Paris, Feb. 19. - The question s now being asked what voice the Germans will have in the final peace treaty. Hitherto it has been assumed by well informed observers that the Allies, after thrashing out all the differences between themselves, would simply summor the enemy states, place the program before them and ask them what they have to say before the program is put into execution. In other words, the scene would resemble less a council chamber than a court room and occupy very little

The Germans, however, appar MISS ANNIE WARD ently consider that the peace terms 112 Hazen St., St. John, N.B. and \$5,000 deficit in 1918 being evidence that either a larger income must be secured or expenses curtailed. J. A. Maharg, the president, had a report for submission, outlining the proposal of the board relative to raising \$500,000 in debenture stock for the purpose of establishing a wholesale trading
