The fellowing indicates the State of Missouri in reference to the great question:

St. Louis, Saturday, Jan. 19, 1861.

The House Convention bill was slightly smended by the Senate vesterday, in which the House concurred, and the bill finally passed. The amendment reads thus: "No act, or resolution, shall be valid to change or dissolve the political relations of this State to the Government of the United States, or any other State, until a majority of the qualified voters of the State shall ratify the same."

In short the Northern Slave States are de-

atify the same."

In short the Northern Slave States are delooked on with great anxiety.

The Pope in his allocution alluded very bive.

Very likely Virginia will secode whether there shall be peace or war, the Legislature has recently passed the following resolutions.

First—That a settlement of the differences must be now made, or separation is invitable. Second—That in the event of mediatory measures failing, her interests and feelings place her with the slave helding sisters.

Third—That in order to render mediation possible there must be no conflict; and ex-President Tyler and Judge John Robertson, of Richmond, are appointed to enjoin respectively the President and the secoding States from all measures likely to greenipitate collision.

Indiana framework in dependence of the French church, and the suppression of the convents in Umbria by Victor Emmanuel.

The Romans are in a disturbed state, and the National party have recently made a demonstration in the piazza of St. Peters.

Russia.—It is reported that Russia will grant deteated by a bill tribe with considerable loss. The opposition to the income tax continues.

t men and money, may be necessary for the servation of the General Government, and ares that the state of South Carolina has bea war. New York also denies the right of

wary 16th the Republican majority voted Anderson will not be surrendered. Mr. Sidn-y Hebert has been raised to the peerage, under the proposes the Crittenden. Canada, and expresses the hope that the fugitive Tuesday, 8th Jan, laid the foundation stone of the Hervey Institution in Southampton. In a speech on the occasion he took occasion to culoque the late expedition to China, and to express the expectation that Italy, as a united kingdom would play an important part in the world as a centre of enlightenment, and a place where the centre of enlightenment, and a place where the mind might be cultivated to the utmost capacity

mind might be cultivated to the utmost capacity of human improvement.

The iron-cased frigate "Warrior," recently launched, cost about £360,000. Two other vest sels of the same class are in course of erec ion.

France.—Considerable excitement was produced it. Paris by a play written by Mocquard the Emperor's Private Socretary, in which it was represented that the Emperor alone could solve the Eastern question. Another pamphlet his appeared in which a contrast is drawn between the ancient and modern popes. The author extended to the Emperol, the Emeral Isle, McLean.

—MEMORANDA:—Ard at Liverpool, 6th, Emerald Isle, McLean. The Eastern question. Another pamphlet has appeared in which a contrast is drawn between the ancient and modern popes. The author expresses the belief that while the Bishop, and Supeior Clergy are advocates of the present condition of the papacy. The inferior clergy would prefer the ancient order of things, when the head of tke Church was content with spiritual jurisdiction.

The government is building three new iron-plated steamers, after the model of La Gloire at Toulen.

France seems desirous of extending to other countries the freedom of trade and intercourse which has been granted to England.

PRUSSIA.—The succession of the Regent to the throne of Prussia, under the title of William V, has been formally announced. In his proclamation, issued Jan. 1st, he says:—"As a German Prince, I am bound to strengthen Prussia in that position, which, according to her glorious history, and the development of her military organization, she must, for the good of all Germany, occupy among the German States.

Austria.—The Emperor still perseveres in this liberal course, and has published an amnest;

In the Eastern question. Another expresses the belief that while the Bishop, and Superior.
