REV. DR. WILSON AND ZION CHURH At the regular meeting of the quarterly official board of Zion church, held on Wednesday evening last, the Rev. G. M. Campbell in the chair, the Rev. Dr. Wilson gave notice of his intention to retire from the active work of the ministry at the end of the present con-ference year. The board expressed its sincere regret at hearing the same and wished to know if this was to be regarded as final, as no action with reference to a successor could be taken if he could be induced to remain in charge. Many kind words were spoken, and the chairman in very touching terms referred to the long and useful ministerial career of the retiring pastor, after which a committee was appoint

ed to prepare a suitable minute for insertion in the circuit book. A motion was unanimously adopted to extend an invitation to the Rev. T. Price, of Shediac, to fill the vacancy, which invitation has been accepted, subject of course to the sanction of the
