PROMPT ACTION OF FIREMEN PREVENTS SERIOUS OUTBREAK

Blaze Promptly Extinguished In L. B. Wilson's Office Germain St. Last Evening—Danger From High Wind.

Timely discovery and prompt action on the part of the firemen prevented what might have proved a very serious conflagration in the office of Mr. L. B. Wilson, merchant tailor, 75 Germain street last evening.

A fierce fire was left burning in the coal stove at 6 o'clock and the heat was sufficient to melt the metal shield protecting the woodwork.

He rang in an alarm from Box 25 and No. 1 chemical quickly responded. Wilson's door was locked and the firemen found it necessary to break through the back window in order to gain an entrance.

The high wind which represented evening made conditions for the spread prevailed last night were very bad.
