THE IRRESISTABLE LOWER COVE GIRL

Here she is, and three cheers for her—our pretty Lower Cove girl. You see her bright face on Charlotte street every morning. Her laugh is silvery and her hopes are high, even if she is bound for work. Underneath all her prettiness and gaiety there is a strain of kindness and seriousness, for already she has taken up the responsibilities of life. They render her all the more winsome. They give her just that little touch of self-reliance that makes a fellow feel sure he can break on her, in one of life's pinches. How'd we come to mention fellow in this connection? Why, do you suppose she hasn't got one? But she won't admit, even to herself, how tenderly she thinks of him, and what a big part he plays in her castles in the air.

"Honestly relieve 'Fruit-a-tives'"

The Greatest Cure For Rheumatism in The World"

Knowlton, Que., Oct. 12th, 1905.

"For many years, I suffered from severe Rheumatism, and the attacks were very distressing and prevented me from doing my ordinary work. I tried many remedies and physicians' treatments, but nothing seemed to do me much good, and I was becoming very anxious for fear I would become a permanent cripple from the disease."

I tried "Fruit-a-tives" and this medicine has entirely cured me and I honestly believe it is the greatest Rheumatism cure in the world."

E. E. MILLS.

Such a statement could not be bought from a man like Mr. Mills. He thinks too much of his good name, to say so to an untruth. Mr. Mills tried "Fruit-a-tives" after all other treatment failed, and "Fruit-a-tives" cured him of Rheumatism. In the goodness of his heart, he wrote the above letter in order that sufferers in all parts of Canada would know that there is one remedy that actually does cure Rheumatism. This testimonial was entirely unsolicited on our part. We did not know that Mr. Mills was taking "Fruit-a-tives" until we received the above letter.

It is a case like Mr. Mills' that proves the marvellous powers of "Fruit-a-tives" in arresting and curing disease. It may be stated, without fear of contradiction, that "Fruit-a-tives" will positively cure Rheumatism when properly used.

"Fruit-a-tives" is the only medicine in the world made of fruit juices and is the greatest Rheumatism cure known to modern science.
