Concerning People, Places An! Things of More than Ordinary Interest, Recorded in a Short Readable Form-Notes of The News.

Saturday.

St. John to work in the I. C. R. mechani cal department there .- Halifax Herald.

One hundred and seventy-five mon these came down river on the Lavid Weston yesterday. The shipment was taken from the freight shed direct to the steamer, which will convey it to the old country.

Repairs to the Loch Lomond road are being made. The St. Martins road ma-chine with six horses is widening the road the Five Mile House. The hill at the waterworks reservoir is getting a much needed repair. Supervisor Stackhouse is imposite the work superintending the work.

The death occurred last evening, at her mother's home, 65 Marsh road, of Miss Mary E. Hayes, daughter of Elizabeth and the late Daniel Hayes. Deceased was formerly a school teacher in St. Malachi's dual. Ste had been ill for the next four hall. She had been ill for the past for months. Her demise will be heard with regret, for she had very many friends.

Colonel H. F. Dent, the imperial officer sent by the war office to Canada to pur chase houses for the British army, proposes to make a tour, or send a purchasin officer representing him, through the mar-time provinces for that purpose about the middle of August. All the principal places in the three provinces, where horses can be obtained, will be visited.

These were 125 passengers for Brown's These were fix passingers for morning. The Star Line management have just finished placing sign-boards representing the place of a town or village on each of the wharves between here and Frdericton. Fredericton.

Saturday. Edmund Skinner, machinist, has gone to St. John to work in the I. C. R. mechani Frederiction by Wednesday and the return to the city by Saturday. It is probable that at Gagetown a concert will be given.

Two American excursion parties are ex-pected here in August. One will be man-aged by Messrs. Cook and Whitby, num-bering 75 tourists, and will be due August 15, and the other under Raymond and Whitcomb's management, about the end of August.

The early closing movement advocated by the grocery clerks is meeting with ad ditional success each day. A week from this evening the shorter hour will com mence. Those interested are active, pre-vailing upon the lady purchasers to buy only from the dcalers who have agreed to

ourist resort.

the early closing. F. W. True and D. W. Prentiss, of the United States government service, Washington, D. C., are at the Royal and will return to Washington today. They have een spending the last ten days in New Brunswick fishing and have had excellent uck. This is the first visit either of hese gentlemen have paid to this prov nce and they are loud in its praises as a

All boys and parents of boys who have had the Y. M. C. A. camp in view as a holiday outing, should note that the time of the camp is near at hand. The party will go to Robertson's Point, Grand Lake, and the back of the campa May Oneen AD on July 24th by steamer May Queen. Ap dications should not be further delayed They may be sent to the secretary of the Y. M. C. A. or to Dr. F. W. Barbour,

The News at Somerville.

Very large consignments of strawberrie The Provincial Chemical Fertilizer Com-pany propose creating a store house and grinding and mixing plant on the line of the I. C. R. about two miles from the city. The company will employ a number of hands packing and preparing their goods for shipment at this point. The rendering and general fertilizer works will be con-tinued at Little River, but owing to the necessity of better shipping arising from the largely increased business, the com-pany has been compelled to build on the

shou'd place a watch the province of New Brunswick for what it had done in their behalf. He thought a country that had young men willing to give up commissions and go to the front in the ranks could look forward with hope to the future. There need be Conductor Tanton, the station master and other eye witnesses to the terrible accident, gave testimany. The conductor stated he was standing on the rear end of the train and shouted to deceased, bu no fear of a country possessing such young men. He hoped St. John would rise to be one of the greatest cities in the empire It had a fine harbor and a fine climate

apparently he was deaf. On the wharf deceased enquired about the train arrange-ment and said that he was westbound. and he trusted that it would prosper and that the relations between it and South He was advised to remain on the whan till the western train came down but de Africa would grow. In concluding, he again thanked the mayor and aldermen for their gift and said he felt deeply the great cided to walk up. The remains were iden-tified by a nephew. Deceased has a daughter in New Brunswick. In the application of Henry Connolly

done him by the loval people of St for certiorari to quash the conviction under the prohibition act, the attorney general for the prosecution is asking that the hearing be postponed; that rule has only reaches every affected part. Such a remedy is Catarrhozone, which is inhaled into all portions of the throat, lungs and nasal pass-ages, where it kills the germs, and cures the disease. Catarrhozone is pleasant, safe, and absolutely sure to cure. It relieves the dis-tressed feeling in the head, clears the throat and nostrilis in one breath. Positive proof of Kingston, Ont., who says: "I suffered for fitteen years from Catarrh of the nose and throat, used hundreds of remedies, consult-el specialists, but was not permanently bene-fitted. Having personally witnessed a cure of thirty years standing, effected by Catarrh-ozone, I bought an outfit and used it for a month. It cured me, and I am now no more liable to Catarrh than if I never had it." This is most convincing testimony from one of Kingston's best known and most highly respected business men. It proves beyond question that Catarrhozone absolutely cures Catarrh. It never fails; never harms; guar-anteed to cure. Price \$1.00; small size 25 cents, Druggists or Polson & Co., Hartford, Conn., U.S. been served this week, consequently he had not time to look into the matter and therefore was not able to argue the case as fully as its importance demanded. The question of provincial prohibition had been passed upon by the courts of Manitoba and the act, very much stronger than ours, was dec'ared unconstitutional. That ccision was now before the privy council The attorney general stated further that he had examined the conflicting decisions both of the privy council and supreme count of Canada, had carefully read over court of Canada, had carefully read over the decision of the Manitoba court and, in view of the unsettled state of the law he wished to give the matters serious con-sideration before arguing, especially in view of the fact that the decision the supreme court of the island would give might be carried to a higher court. He would probably require assistance of the outside counsel.

The chief justice asked Stewart, K. C. Connolly's attorney, whether he had cause to show against the application. Mr. Stewart replied in the negative and the court postponed the hearing till next Michaelmas term, which stays the pro-STARTED BY SPITE. eeding.

D. O. L. Warlock.

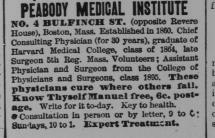

Announcement which will be received with general regret is that of the death of D. O. L. Warlock, who, at the advanced age of 82 years, passed away last evening at his home, 57 Sewell street. Through long useful years, spent in St. John since young manhood, Mr. Warlock has been esteemed and numbered among the best citizens. He was born at Killarney, Ireland, in the same year, 1819, which saw the birth of the late Queen Victoria. His birthday was July 12, and on the day on which he attained his 82nd on the day on which he abtained in Santa year he passed away. A few years after 'he reached St. John, Mr. Warlock estab-lished himself in business as jeweller and watchmaker, and for 56 years carried on high gradient part of his business, being for the greater part of the time on King street, and for many years at the corner of King and Charand Camden street railroad, was seriously and possibly fatally injured this afternoon by falling from the running board of a car near Oakland. Tiffany was collecting fares when he lost his balance and fell to the ground, striking on his head and shoulders. The car was moving rapidly and he struck the ground with great force. He was picked up unconscious and re-moved to a nearby house. The physicians curld a colock in the C. P. R. office, Mr. War-lock fell and he was never quite the same since then. Some months ago liver trouble set in, yet he was able to be about unbil Friday of last week, since when he had been confined to his house. He is sur-vived by his wife and Emily, and Henry War-cord determine this afternoon Misses Alice and Emily, and Henry War-

Missees Alice and Emily, and Henry War-lock. Industry marked his career. It was a peculiar feature of his work during near-ly 25 years that he chose the night as his working time, when all was quiet and he could give his attention undisturbed. No matter the weather conditions, winter and summer, the light was burning in Mr. Warlock's shop up till 3 a. m., and there was always a hearty word for other toilers of the night as they met him on his way was always a hearty word for other tollers of the night as they met him on his way home. Mr. Warlock had many friends, who extend sympathy to his family. His funeral will be held Sunday afternoon.

"Peace" the Theme Yesterday.
