

## CLINICAL SURGERY.

PROFESSOR WISHART.

The Lecturer on this branch is now in a position to give students a very complete course on Practical and Operative Surgery.

The course, as heretofore, will, in addition to the ordinary Clinic, include a complete course on diseases of the Urinary Organs, Orthœpoedic Surgery, Minor Surgery, Bandaging, Antiseptic Dressing, etc.

## DISEASES OF THE MIND.

PROFESSOR BUCKE.

The course will consist almost entirely of Clinical lectures given in the wards of the Asylum, in the course of which every form of Insanity (as far as practicable) will be brought before the notice of the student. This course is now compulsory.

## TIME TABLE.

| TIME.    | MONDAY.                              | TUESDAY.                            | WEDNESDAY.                          | THURSDAY.                           | FRIDAY.                             | SATURDAY.               |
|----------|--------------------------------------|-------------------------------------|-------------------------------------|-------------------------------------|-------------------------------------|-------------------------|
| A. M.    | Surgery.                             | Surgery.                            | Surgery.                            | Surgery.                            | Surgery.                            |                         |
